\$1 Million *Mega Millions* Ticket Sold in Dane County

\$1.537 Billion Mega Millions Winning Ticket Sold in South Carolina

One lucky Wisconsin *Mega Millions* player is holding a \$1 million ticket from the Tuesday, October 23 *Mega Millions* drawing, while a ticket sold in South Carolina won the \$1.537 billion jackpot.

The history-making *Mega Millions* jackpot crushed the former *Mega Millions* record of \$656 million set in March 2012. "While the *Mega Millions* jackpot has been won, let's not forget that there is still another huge jackpot up for grabs with the *Powerball* jackpot estimated at \$620 million for tonight's drawing," said Cindy Polzin, Wisconsin Lottery Director. "As always, I encourage you to have fun playing, but please play responsibly."

The \$1 million winning *Mega Millions* ticket from Wisconsin was purchased at Kwik Trip at 525 Springdale Street in Mount Horeb (Dane County).

The winner matched five out of five numbers, but not the Mega Ball. Tuesday's winning *Mega Millions* numbers were 5, 28, 62, 65, and 70 with a Mega Ball of 5. The Megaplier number was 3.

Winners at all prize levels have 180 days to claim their prize by mail or in-person at the Lottery's Madison or Milwaukee offices. The \$1 million ticket must be claimed at the Lottery's headquarters in Madison.

The next *Mega Millions* drawing will be held on Friday, October 26. That jackpot is estimated at \$40 million (\$22.8 million cash).

Players must purchase tickets by 9 p.m. to be included in the Friday, October 26 drawing:

- Each ticket costs \$2 per play
- Choose five different numbers, 1 to 70, and one Mega Ball number, 1 to 25
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

The odds of winning the \$1 Million prize are 1:12,607,307.

- END -
