Racine County Man Becomes Instant Millionaire with *Ultimate Millions* Ticket

Jeff Jackson of Mount Pleasant became a millionaire when he redeemed an *Ultimate Millions* scratch ticket worth \$1 million. *Ultimate Millions* was a \$30 instant scratch game available only in Wisconsin, which had three top prizes of \$1 million. Jackson redeemed the last \$1 million prize of the game. The other two top prize winners were Judith Clark of Eau Claire and Karen Perdue of Fort Atkinson.

Jackson bought his ticket at Pick'n Save – 2820 South Green Bay Road in Racine. He will take home more than \$673,000 after taxes. Pick'n Save earns 2% of the total prize as a retailer incentive, or \$20,000.

On Friday, October 16, the Wisconsin Lottery launched a new \$30 instant scratch ticket, *Classic Millions*, which also offers three top prizes of \$1 million each.

The odds of winning the top prize in Ultimate Millions are 1:200,000.
