More Than 100 Badger 5 Jackpots Won So Far in 2014 *101st milestone reached with \$11,000 jackpot winner in Sheboygan*

(Madison) — On Wednesday night, an \$11,000 jackpot became the 101st Badger 5 jackpot to be won this year! These jackpots are collectively worth over \$4.9 million and have been won by 126 different tickets.

One ticket sold in Sheboygan matched all five winning numbers (1, 9, 21, 25, and 28) in the Wisconsin Lottery's Wednesday, October 29 Badger 5 lotto drawing to claim the \$11,000 prize. The winning ticket was sold at Sheboygan Oil Company, 2113 South Business Drive in Sheboygan.

The ticket-holder has 180 days to claim the prize by mail or in person at the Lottery's Madison or Milwaukee offices.

Badger 5 is a \$1 daily lotto game with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rolling jackpot by matching their five numbers to the five winning numbers drawn each night. If more than one ticket matches all five winning numbers, the jackpot is split evenly by all tickets matching all five numbers.

The odds of winning the Badger 5 jackpot are approximately 1:170,000.
