## **Mount Horeb Man Claims Three \$350,000 *SuperCash!* Tickets Sold in Dane County**

(MADISON)—Last week, the Wisconsin Lottery announced that three *SuperCash!* winning tickets had been sold in Dane County. Verlyn Adamson of Mount Horeb is the lucky winner of all three top prizes from the Monday, January 26 *SuperCash!* daily lotto game. His winning tickets matched all six numbers of 3, 10, 15, 23, 26 and 34.

Adamson purchased his lucky tickets at three different locations:

- Kwik Trip - 7583 West Mineral Point Road in Verona
- Kwik Trip - 525 Springdale Street in Mount Horeb
- Cenex Convenience Store - 1225 Hwy 18/151 in Mount Horeb

After taxes, Adamson received a payment of \$707,175.39. Each store earns a \$7,000 retailer incentive (or 2% of the total prize) for selling the winning ticket.

This is the second time that Adamson has won multiple top prizes of \$350,000 playing *SuperCash!* The last time this happened was in August 2008 when he won on four different tickets.

*SuperCash!* is a daily lotto game played only in Wisconsin. Players try to match the six randomly drawn winning numbers drawn each night from a field of 39 numbers for a chance to win prizes of \$1, \$30, \$500, and the top prize of \$350,000. Players can also select the doubler feature at no additional cost. When the doubler is drawn, every prize doubles (excluding the top prize).

*The odds of winning the SuperCash! \$350,000 top prize are approximately 1:1.7 million.*
