\$350,000 *SuperCash!* Ticket Sold in Milwaukee

Twelve Players are \$1,000 Winners Because of Doubler

One lucky *SuperCash!* player matched all six numbers in the March 28 drawing to win the \$350,000 top prize. Saturday's winning *SuperCash!* numbers were 2, 5, 9, 17, 20 and 27. The top prize ticket was purchased at Pick 'n Save on 250 West Holt Avenue in Milwaukee.

SuperCash! is a daily lotto game played only in Wisconsin. Players try to match the six winning numbers drawn each night from a field of 39 numbers for a chance to win \$1, \$30, \$500 and the top prize of \$350,000. After the six numbers are pulled, another drawing called the "doubler" takes place to determine if all other prizes in the game double (excluding the top prize).

Because the doubler was also drawn on March 28, twelve other players are holding \$1,000 winning tickets which were sold in:

Grafton
Milwaukee (2)
Monroe (4)
Muskego
Neenah
Nekoosa
Onalaska
West Milwaukee

Winners at all prize levels have 180 days from the drawing to claim their prizes by mail or in person at the Lottery's Madison or Milwaukee offices.

The odds of winning the SuperCash! \$350,000 top prize are approximately 1:1.7 million.
