\$250,000 5 Card Cash Ticket Sold in Ozaukee County

(Madison) — Friday the 13th may have new meaning for one lucky Lottery player, after their 5 Card Cash ticket turned out to be a winner of the \$250,000 top prize in the Wisconsin Lottery's 5 Card Cash daily lotto game.

The ticket, sold at Thiensville Self Serve, 301 N. Main Street in Thiensville, matched all five winning card symbols in the 5 Card Cash drawing on Friday, June 13, 2014 to win the \$250,000 prize. Because the ticket also had 2 Kings, the player won an additional \$2 for having "a pair of Kings" on the instant portion, bringing the total to \$250,002.

Friday's winning 5 Card Cash card symbols were the 2 of Clubs, King of Spades, Queen of Diamonds, Six of Hearts and King of Diamonds.

The celebration of the top prize winner also corresponds with the 5 Card Cash Bonus Days, which lasts all month long. During the month of June, all players who purchase a 5 Card Cash ticket have a 1:10 chance of winning a \$2 Bonus 5 Card Cash ticket for that same drawing at no additional cost.

5 Card Cash is the Wisconsin Lottery's new daily lotto game which offers two ways to win: instantly and in a nightly drawing. The odds of winning the 5 Card Cash \$250,000 top prize are approximately 1:2.6 million.

Winning card symbols for the 5 Card Cash game can be found on the Lottery's website at www.wilottery.com or by calling (608) 266-7777. Winners have 180 days from the drawing to claim their prizes at the Lottery's Madison or Milwaukee office, or by mail.
