## **Sheboygan Man Claims \$1 Million Powerball Prize**

*News conference scheduled Monday in Sheboygan*

(Madison) —Long-time Lottery player David Resnick became Wisconsin's newest millionaire on Wednesday night, when he matched five regular numbers, but not the Powerball number, to win the game's \$1 million prize.

Resnick brought his \$1 million winning ticket to the Lottery's Madison headquarters this afternoon. After taxes he will receive a lump sum payment of \$673,500.

He purchased his ticket at Q Mart, 1211 Weeden Creek Rd. in Sheboygan.

For selling Resnick's \$1 million winning ticket, Q Mart earns a \$20,000 commission from the Lottery. Lottery retailers who sell winning tickets with prizes of \$600 or more earn a commission equal to 2% of the prize, up to a maximum of \$100,000.

Resnick has agreed to take part in a news conference Monday in Sheboygan. He will decline any interview requests before and after that event.
