## Appleton Player Holds \$200,000 *Powerball* Ticket *Powerball* Jackpot Rolls to \$375 Million for Wednesday

One lucky Wisconsin player is holding a \$200,000 winning *Powerball* ticket from the Saturday, June 3 *Powerball* drawing.

The lucky winner purchased their ticket at Appleton Travel Plaza at 2775 West Wisconsin Avenue in Appleton.

The winner matched four out of five numbers plus the *Powerball* to earn the ticket holder a \$50,000 prize. Because the player purchased the Power Play prize multiplier, the \$50,000 prize was automatically multiplied by four. Power Play turned the \$50,000 ticket into a \$200,000 winner.

Saturday's winning *Powerball* numbers were 3, 9, 21, 41 and 54 with a *Powerball* of 25. The Power Play number was 4.

For an extra \$1 per play, you can choose Power Play to increase your non-jackpot winnings which will be multiplied by the drawing's Power Play number. For example, if your prize is \$50,000 and the Power Play number is 5, you win \$250,000 just by adding Power Play. The \$1 million prize automatically becomes \$2 million with Power Play.

Winners at all prize levels have 180 days from the drawing to claim their prizes.

Winners of more than \$599 must claim their prize at the Lottery's Madison or Milwaukee office or by mail.

The next *Powerball* drawing will be Wednesday, June 7. The estimated jackpot is \$375 million (\$235.4 million cash).

### HOW TO PLAY

- Plays cost \$2 each
- Tickets must be purchased by 9 p.m. to be included in the drawing
- Choose five numbers between 1 and 69 and one *Powerball* number between 1 and 26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

*The odds of winning the \$50,000 prize are 1:913,130.*
