Buffalo County Man Claims \$50,000 *Powerball* Ticket

Powerball Jackpot at \$204 Million for Wednesday

Steven Kurtzweg of Alma is the lucky player who won \$50,000 by matching four numbers plus the *Powerball* in the Saturday, May 6 *Powerball* drawing.

Kurtzweg purchased his ticket at Kwik Trip at 603 North Main Street in Alma.

The winning numbers from the Saturday, May 6 *Powerball* drawing were 11, 21, 31, 41 and 59 with a *Powerball* of 21. The Power Play number was 3.

Winners at all prize levels have 180 days from the drawing to claim their prizes.

The next *Powerball* drawing will be, Wednesday, May 17. The estimated jackpot is \$204 million (\$124.9 million cash).

How to Play

Tickets must be purchased by 9 p.m. on Wednesday and Saturday to be included in the drawing:

- Each ticket costs \$2 per play
- Choose five different numbers 1 to 69 and one *Powerball* number 1 to 26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers (but not the *Powerball*).

For an extra \$1 per play, you can choose Power Play to increase your non-jackpot winnings which will be multiplied by the drawing's Power Play number. For example, if your prize is \$50,000 and the Power Play number is 5, you win \$250,000 just by adding Power Play. The \$1 million prize automatically becomes \$2 million with Power Play.

The odds of winning the \$50,000 prize are 1:913,130.
