Columbia County Man Claims \$50,000 Powerball Ticket

\$430 Million Powerball Jackpot for Wednesday

Robert Lawver of Portage is the lucky player who won \$50,000 by matching four numbers plus the *Powerball* in the Wednesday, August 9 *Powerball* drawing.

Lawver purchased his ticket from Kwik Trip at 1223 East Wisconsin Street in Portage.

The winning numbers from the Wednesday, August 9, *Powerball* drawing were 12, 30, 36, 47 and 62 with a *Powerball* of 9. The Power Play number was 4.

Winners at all prize levels have 180 days from the drawing to claim their prizes.

The next *Powerball* drawing will be, Wednesday, August 16. The estimated jackpot is \$430 million (\$2737.4 million cash).

How to Play

Tickets must be purchased by 9 p.m. on Wednesday and Saturday to be included in the drawing:

- Each ticket costs \$2 per play
- Choose five different numbers 1 to 69 and one *Powerball* number 1 to 26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers (but not the *Powerball*).

For an extra \$1 per play, you can choose Power Play to increase your non-jackpot winnings which will be multiplied by the drawing's Power Play number. For example, if your prize is \$50,000 and the Power Play number is 5, you win \$250,000 just by adding Power Play. The \$1 million prize automatically becomes \$2 million with Power Play.

The odds of winning the \$50,000 prize are 1:913,130.
