## Milwaukee Player Holds \$250,000 Powerball Ticket

### Powerball Jackpot Rolls to \$205 Million for Saturday

One lucky Wisconsin player is holding a \$250,000 winning *Powerball* ticket from the Wednesday, July 19 *Powerball* drawing. The player purchased their ticket from the Speedway at 369 East Oklahoma Avenue in Milwaukee. Wednesday's winning *Powerball* numbers were 50, 51, 59, 61 and 63 with a *Powerball* of 4. The Power Play number was 5.

The lucky player matched four out of five numbers plus the *Powerball* to win the ticket holder a \$50,000 prize. Because the player purchased the Power Play prize multiplier, the \$50,000 prize was automatically multiplied by five, turning the ticket into a \$250,000 winner.

For an extra \$1 per play, Power Play multiplies non-jackpot winnings by the drawing's Power Play number. For example, if your prize is \$50,000 and the Power Play number is 4, you win \$200,000. The \$1 million prize automatically becomes \$2 million with Power Play.

Winners at all prize levels have 180 days from the drawing to claim their prizes. Winners of more than \$599 must claim their prize at the Lottery's Madison or Milwaukee office or by mail.

The next *Powerball* drawing is Saturday, July 22. The estimated jackpot is \$205 million (\$127.6 million cash).

### How to Play

Tickets must be purchased before 9 p.m. on Wednesday and Saturday to be included in the drawing:

- Each ticket costs \$2 per play
- Power Play is an optional prize multiplier that costs \$1 per play
- Choose five different numbers 1 to 69 and one *Powerball* number 1 to 26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers (but not the *Powerball*).

*The odds of winning the \$50,000 prize are 1:913,130.*
