# Milwaukee Woman Claims \$50,000 *Powerball* Ticket

## *Wednesday Powerball Jackpot Estimated at \$302 Million*

Wilma Boddie of Milwaukee was one of two lucky players who matched four numbers plus the *Powerball* in the Wednesday, May 24 *Powerball* drawing to win \$50,000. The Lottery has not yet heard from the other winner.

The winning tickets were purchased from:

- Boddie purchased her ticket at Cypress Lane at 509 West Center Street in Milwaukee
- The other winner purchased their ticket at Midway Service at 3907 South Webster Avenue in Green Bay

The winning numbers from the Wednesday, May 24 drawing were 28, 32, 33, 38, and 62 with a *Powerball* of 15. The Power Play number was 2.

Winners at all prize levels have 180 days from the drawing to claim their prizes.

The next *Powerball* drawing will be Wednesday, May 30. The estimated jackpot is \$337 million (\$209.1 million cash).

### How to Play

Tickets must be purchased by 9 p.m. on Wednesday and Saturday to be included in the drawing:

- Each ticket costs \$2 per play
- Choose five different numbers from 1 to 69 and one *Powerball* number from 1 to 26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers (but not the *Powerball*). For an extra \$1 per play, you can choose Power Play to increase your non-jackpot winnings which will be multiplied by the drawing's Power Play number. For example, if your prize is \$50,000 and the Power Play number is 5, you win \$250,000 just by adding Power Play. The \$1 million prize automatically becomes \$2 million with Power Play.

*The odds of winning the \$50,000 prize are 1:913,130.*
