Germantown Man Claims \$50,000 *Powerball* ticket from the \$1.5 Billion Dollar Jackpot Run

Jason Kaczmarek of Germantown matched four numbers plus the Powerball in the Wednesday, January 13 *Powerball* drawing to win \$50,000. The winning numbers from the drawing were 4, 8, 19, 27 and 34. The Powerball was 10 and the Power Play number was 2. Kaczmarek purchased his ticket at Kwik Trip at W188 N10963 Maple Road in Germantown.

How to Play

Tickets must be purchased by 9:00 p.m. on Wednesday and Saturday to be included in that night's drawing:

- Each ticket costs \$2 per play
- Choose five different numbers 1-69 and one Powerball number 1-26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers, but not the *Powerball*. For an extra \$1 per play, you can choose Power Play to increase your non-jackpot winnings. With the Power Play option, your winnings will be multiplied by the drawing's Power Play number. The \$1 million prize automatically becomes \$2 million with Power Play.

The odds of winning the Powerball jackpot are approximately 1:292.2 million.
