# Wisconsin Winners from Saturday's *Powerball* Drawing

*No Winners of Big Jackpot – Wednesday Night Drawing Expected to Be More Than \$1.3 BILLION*

Wisconsin had nine lucky players from the Saturday, January 9 *Powerball* drawing that each won \$50,000. The winning numbers from the drawing were 16, 19, 32, 34 and 57. The *Powerball* was 13 and the *Power Play* number was 3. Since there was not a *Powerball* jackpot winner Saturday night, the jackpot will continue to grow. The *Powerball* jackpot for Wednesday night's drawing is expected to hit at least \$1.3 BILLION.

Players should check their tickets to see if they were one of nine \$50,000 winning tickets from Saturday's *Powerball* drawing sold at:

Business Name	Address	County

Bob & Steve's BP Amoco Shop	1501 9 <sup>th</sup> Street – Menomonie	Dunn
Speedway	12340 W. Oklahoma Avenue – West Allis	Milwaukee

Holiday SSG	100 2 <sup>nd</sup> Street – Hudson	St. Croix
Consign Center	325 N. Sawyer Avenue – Oshkosh	Winnebago

Tickets must be purchased by 9:00 p.m. to be included in the Wednesday, January 13 drawing:

- Each ticket costs \$2 per play
- Choose five different numbers 1-69 and one *Powerball* number 1-26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers (but not the *Powerball*). For an extra \$1 per play, you can choose *Power Play* to increase your non-jackpot winnings which will be multiplied by the drawing's *Power Play* number. For example, if your prize is \$50,000 and the *Power Play* number is 5, you win \$250,000 just by adding *Power Play*. The \$1 million prize automatically becomes \$2 million with *Power Play*.

The mission of Wisconsin Lottery is to provide property tax relief to Wisconsin homeowners. Since the sale of the first lottery ticket in September 1988, the Lottery has generated more than \$3.87 billion in property tax relief for Wisconsin homeowners, \$766 million in commissions for Wisconsin businesses, and more than \$7.14 billion in prizes for players.

*The odds of winning the Powerball jackpot are approximately 1:292.2 million.*
