Retired Welder Claims \$2.5 Million *Megabucks* Ticket

Heinz Habermehl of Oshkosh is the lucky winner of \$2.5 million from the September 20 *Megabucks* drawing. The winning numbers from Wednesday, September 20 were 4, 12, 17, 24, 39, and 43.

Habermehl, a self-described daily lottery player who plays *Megabucks*, purchased his winning ticket at Kwik Trip at 2115 Jackson Street in Oshkosh. He noted that he's been playing the lottery for many years and manually chose his winning numbers as opposed to using the quick pick option.

Habermehl plans to use his winnings to help his kids, build up a nest egg and enjoy it with his family close to home noting that he doesn't have any big travel plans.

Retailers receive a 2% incentive of the winning ticket amount up to \$100,000. Kwik Trip will receive \$50,000 for selling the winning ticket.

Megabucks is Wisconsin's own lotto game. Drawings take place every Wednesday and Saturday night. Currently, the *Megabucks* jackpot is estimated at \$1 million for Wednesday night's drawing.

HOW TO PLAY

1. Choose six (6) different numbers from 1 – 49. You will receive two plays for \$1.
2. You must purchase your ticket **by 9:00 p.m.** on Wednesday or Saturday to be included in that night's drawing.
3. Sign your ticket and check it as soon as possible.

The odds of winning the Megabucks jackpot are 1:7 million.
