Wisconsin Lottery's *SuperCash!* Game Turns 25 This Month!

It has been a quarter of a century since the Wisconsin Lottery introduced the *SuperCash!* game in February 1991. *SuperCash!* is a daily lotto game played only in Wisconsin. Since its inception, *SuperCash!* has produced more than \$881,000,000 in sales and \$455,000,000 in prizes, including 805 lucky top prize winners who have matched all six winning numbers.

In 2005, the Lottery added the Doubler as a *SuperCash!* bonus feature at no extra cost to the player. Since the addition of the Doubler, every night when the winning numbers are drawn, the Lottery conducts a Doubler drawing. If the Lottery draws a Doubler, all prizes automatically double, excluding the top prize.

HOW TO PLAY

1. Tickets are two plays for \$1 and players can choose six different numbers from 1–39
2. The top prize is \$350,000 and the game is drawn every day
3. There is also a Doubler feature with a 1:7 chance that all prizes will double automatically (excludes top prize)
4. Tickets must be purchased by 9:00 p.m. to be included in the daily drawing

The mission of Wisconsin Lottery is to provide property tax relief to Wisconsin homeowners. Since the sale of the first lottery ticket in September 1988, the Lottery has generated:

- More than \$3.87 billion in property tax relief for Wisconsin homeowners
- More than \$7.14 billion in prizes for players
- \$766 million in commissions for Wisconsin businesses

The odds of winning the SuperCash! \$350,000 top prize are approximately 1:1.7 million.
