## Two Lucky *Powerball* Players Each Win \$50,000

Wisconsin has two lucky players from the Wednesday, September 27 *Powerball* drawing. Each player matched four out of five numbers plus the *Powerball* which earns them the \$50,000 prize. Winners at all prize levels have 180 days from Wednesday's drawing to claim their prizes.

The winning numbers from Wednesday, September 27, 2017 drawing were 8, 10, 21, 23, and 25. The *Powerball* was 22 and the *Power Play* number was 3. The winning tickets from Wednesday's drawing were sold at:

- Kwik Trip at 2008 Stout Road in Menomonie
- Team Oil at W2555 State Road 29 in Spring Valley

Since there was not a *Powerball* jackpot winner Wednesday night, the jackpot continues to grow. The *Powerball* jackpot for Saturday night's drawing is estimated at \$80 million (\$50.6 million cash).

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers (but not the *Powerball*). For an extra \$1 per play, you can choose *Power Play* to increase your non-jackpot winnings which will be multiplied by the drawing's *Power Play* number. For example, if your prize is \$50,000 and the *Power Play* number is 5, you win \$250,000 just by adding *Power Play*. The \$1 million prize automatically becomes \$2 million with *Power Play*.

### HOW TO PLAY

- Plays cost \$2 each
- Tickets must be purchased by 9:00 p.m. to be included in the drawing
- Choose five numbers between 1-69 and one *Powerball* number between 1-26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

*The odds of winning the \$50,000 prize are 1:913,130.*
