West Allis Man Wins \$50,000 Playing *Powerball*; \$1 million ticket sold in Kenosha

Powerball rolls to \$103 million

Larry Hills of West Allis is the lucky player who won \$50,000 from the Wednesday, October 18 *Powerball* drawing. The person holding the \$1 million winning ticket from the same drawing has not yet come forward.

Hills purchased his \$50,000 winning ticket at Schmidt's Country Gas N Go at 26480 Fries Lane in Wind Lake (Racine County). Hills matched four out of five numbers plus the *Powerball*.

The \$1 million winning ticket was purchased at Speedway at 3012 Washington Road in Kenosha. The winner matched five out of five numbers, but not the *Powerball*.

The winning numbers from the Wednesday, October 18 drawing were 30, 49, 54, 66 and 69 with a *Powerball* of 8. The Power Play number was 2.

The next *Powerball* drawing is Wednesday, November 15. The estimated jackpot is \$103 million (\$65.3 million cash). Tickets must be purchased by 9 p.m. to be included in the drawing.

How to Play

- Each ticket costs \$2 per play
- Choose five different numbers from 1 to 69 and one *Powerball* number from 1 to 26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers (but not the *Powerball*). For an extra \$1 per play, you can choose Power Play to increase your non-jackpot winnings which will be multiplied by the drawing's Power Play number. For example, if your prize is \$50,000 and the Power Play number is 5, you win \$250,000 just by adding Power Play. The \$1 million prize automatically becomes \$2 million with Power Play.

The odds of winning the \$50,000 prize are 1:913,130.
