Westfield Man Claims \$50,000 *Powerball* Ticket

James Warzynski of Westfield matched four numbers plus the Powerball in the Saturday, January 30 *Powerball* drawing to win \$50,000. The winning numbers from the drawing were 5, 12, 16, 31 and 43 with a *Powerball* of 18. The Power Play number was 4. Warzynski purchased his ticket at Folstrom South at 327 East 2nd Street in Westfield.

How to Play

Tickets must be purchased by 9:00 p.m. on Wednesday and Saturday to be included in the drawing:

- Each ticket costs \$2 per play
- Choose five different numbers 1-69 and one Powerball number 1-26
- Sign your ticket and check it as soon as possible to avoid missing out on any prize you may have won

While the jackpot gets the most attention, there are other prizes to be won in *Powerball*. Prizes range from \$4 for matching just the *Powerball* to \$1 million for matching all five numbers (but not the *Powerball*). For an extra \$1 per play, you can choose Power Play to increase your non-jackpot winnings which will be multiplied by the drawing's Power Play number. For example, if your prize is \$50,000 and the Power Play number is 5, you win \$250,000 just by adding Power Play. The \$1 million prize automatically becomes \$2 million with Power Play.

The odds of winning the Powerball jackpot are approximately 1:292.2 million.
