Wisconsin Lottery Announces Powerball \$250,000 Bonus Draw

For a limited time, the Wisconsin Lottery is offering a Powerball \$250,000 Bonus Draw ticket at no additional cost with each Powerball or Powerball with Power Play purchase. This limited time offer starts September 1, 2018 and will be available until September 30, 2018, or until 9,999,999 Bonus Draw numbers have been generated, whichever comes first. This offer is available only in Wisconsin.

The \$250,000 Bonus Drawing will be held on October 4, 2018. If a \$250,000 Bonus Draw seven-digit number on your ticket exactly matches one of the winning numbers drawn, in exact order, the ticket wins the corresponding prize shown below.

Prizes/Odds:

PRIZE	WINNERS	ODDS
\$250,000	1	1:9,999,999 or Better
\$1,000	100	1:100,000 or Better

Each Wisconsin's Powerball or Powerball with Power Play purchase will receive one (1) unique seven-digit number for the special bonus drawing and will print on a separate ticket from the Powerball ticket. No more than twenty (20) Bonus Draw numbers will be generated for each Powerball ticket regardless of the number of plays and draws purchased. For example, if you purchase two (2) sets of Powerball numbers for five (5) draws, receive ten (10) Bonus Draw numbers. If you purchase five (5) sets of Powerball numbers for eight (8) draws, receive twenty (20) Bonus Draw numbers.

Powerball or Powerball with Power Play tickets must be purchased in Wisconsin before October 1, 2018 to produce a \$250,000 Bonus Draw number. Winning numbers will be posted on the Lottery's website at wilottery.com after the October 4th drawing. Tickets can be redeemed after the drawing or within 180 days from the draw date.

No more than 9,999,999 numbers will be produced for the \$250,000 Bonus Draw.
Odds based on maximum numbers possible. Odds of winning will be better if fewer than 9,999,999 numbers are produced.
