\$5.9 Million Won in Wednesday's *Megabucks* Drawing *Sheboygan ticket sale produces largest prize since 2015*

MADISON, Wis. – Wednesday's *Megabucks* drawing produced the game's first win of 2019 and a \$5.9 million jackpot. One lucky ticket holder will collect the largest prize since 2015.

The winning numbers of 1, 5, 28, 29, 37, and 44 came from a sale at the Kwik Trip located on 625 South Taylor Drive in Sheboygan. As the winning retailer, the store will receive an incentive of \$100,000 based on the prize amount.

The winner has 180 days from the drawing date to claim their prize in person at the Lottery's Madison office.

The \$5.9 million jackpot was the highest *Megabucks* prize since a record \$22.5 million in May 2015. Wednesday's total equaled the 25th-highest jackpot won since the game began in June 1992. The game's previous most recent multi-million dollar win of \$2.2 million had come in April 2018.

The odds of winning the Megabucks jackpot is 1:7 million.
