Wisconsin Lottery

Name: Lottery Division Directive 817

Subject: Lottery Retailer Low/No Instant Sales Review

Revision History

Version #	Revision or Review Date	Description of Change(s)
1.0	September 2023	Initial published version
1.1	February 2024	Added language for new retailers
1.2	March 2025	Updated Retailer Contracting unit name and retailer expectations

A. Background

Chapter Tax 61 of the Wisconsin Administrative Code requires that retailers shall sell a minimum monthly average of \$400 of instant tickets. This applies only to instant (*i.e.*, scratch and pull-tab) tickets, and not terminal generated lotto games.

This document provides a general overview of Lottery's policies and procedures regarding terminating a retailer contract due to insufficient instant ticket sales.

Tax 61.04(1)(d) states, in relevant part: "The applicant is expected to sell a minimum monthly average of \$400 worth of instant scratch tickets or instant break-open tickets or the sum of both each fiscal quarter, under s. 565.01 (6m)."

Tax 61.08(11)(c) states, in relevant part: "The retailer shall sell a minimum monthly average of \$400 worth of instant scratch tickets or instant break-open tickets or the sum of both each fiscal quarter, under s. Tax 61.04 (1) (d)."

Tax 61.08 (21)(c) provides the following grounds for suspending a retailer's contract without Lottery providing prior notice: "The retailer failed to sell a minimum monthly average of \$400 worth of instant scratch tickets or instant break-open tickets or the sum of both in any fiscal quarter, under s. Tax 61.04 (1) (d)."

Tax 61.08(22)(c) provides the following grounds for termination a retailer's contract regardless of whether the retailer has been previously suspended: "The retailer engaged in any practice identified under s. Tax 61.08 (21) (a) to (i)."

LOW SALES DIRECTIVE 817

Name: Lottery Division Directive 817
Subject: Lottery Retailer Low/No Instant Sales Review

B. Policy

Quarterly (four times a year at intervals of three months), Lottery will run reports from the gaming system to ensure compliance with the minimum selling requirement outlined in Chapter Tax 61.

C. Procedures

For first time non-compliance, Lottery will send retailer a letter encouraging them to speak with their Field Marketing Representative (FMR) about best practices and other ideas that the retailer could implement to improve sales. Instant ticket sales will be monitored for the following quarter and a compliance evaluation will take place at the end of that quarter.

In evaluating non-compliance, the Lottery may consider the following factors:

- New retailers, after the initial instant ticket order has been placed, will have a grace period of one full quarter.
 - For example, if a new retailer's first ticket order is placed in December that retailer will not receive an initial non-compliance letter in January-March regardless of sales. If they are flagged for low sales the following quarter (April-June) then the retailer would receive a first-time non-compliance letter.
- If the retail location was under remodel, -depending on the extent of the remodel and dates of the remodel.
- If there was road construction that reduced access to the retailer's location, including to what extent and dates of construction.
- Other factors as determined by the Lottery Administrator.

If a retailer fails to meet the sales requirement for two quarters in a row, or if there are multiple low-sales quarters indicating a pattern of non-compliance, then Lottery will issue the retailer a termination letter unless the Lottery Administrator determines there is an extenuating factor.

A retailer that has a pattern of low sales, is a retailer that is non-compliant Q1, compliant Q2, non-compliant again Q3, compliant Q4, and non-compliant again the following Q1, may be considered for termination.

Retailers who fail to meet the sales requirements are not eligible for Retailer Performance Program (RPP) incentives.

- 1) Quarterly (four times a year at intervals of three months), Retailer Contracting and Financial Services will evaluate performance by reviewing retailer sales.
- 2) A report is supplied to the Sales Bureau.
- 3) Sales Bureau will provide additional context about retailers if there are additional factors to consider (as stated above). Any discrepancies will be reviewed by either the Business Operations Bureau Director, Sales Bureau Director, or the Lottery Administrator.

Instant Games

LOW SALES DIRECTIVE 817

Name: Lottery Division Directive 817

Subject: Lottery Retailer Low/No Instant Sales Review

First-Time Non-Compliance

- Retailer Contracting and Financial Services staff will:
 - Send a non-compliance letter and a discontinue form to the retailer.
 - Make a note that a letter was sent in the Lottery CRM.
 - Assign a task to the FMR notifying them that the retailer was issued a non-compliance letter, so they are aware action was taken.
 - Save a copy of the letter in the retailer's file.
- The FMR will complete the task in the Lottery CRM and include any required documentation.

Repeat Non-Compliance (back-to-back RPP quarter not met)

- Retailer Contracting and Financial Services staff will:
 - Make a phone call to notify retailer that their contract will be terminated (completed by the Business Operations Bureau Director).
 - Send a termination letter, along with appeal rights.
- Standard retailer termination process is followed.

If a person applies for a new retailer contract at the same retailer location previously terminated due to low sales, the past sales performance may be taken into consideration.

Instant Games RECEIVING TICKETS

- Treat Lottery tickets like cash. Store in a secure place, such as a safe, until ready to be sold.
- Tickets are not transferable and must only be sold at the location address on the Certificate of Authority. Note: Sale of tickets at locations other than where assigned are violations of contract and can result in termination.

Receiving Tickets:

Tickets are usually delivered the next business day after the order is placed through the Telemarketer. Note: holiday schedules and inclement weather may impact delivery times. **When tickets are delivered, you should immediately verify the accuracy of the order then confirm the order on the terminal.**

- Verify the retailer name and number listed on the shipping label and packing slip.

Instant Games VALIDATING TICKETS

Any Lottery retailer may validate and cash tickets, and receive credit for prizes up to \$599.00. **If your location has a cashing policy or limit, the policy must be posted in a prominent location.**

How to Cash Tickets

Your Lottery terminal will take the guesswork out of whether a ticket is a winner. You can cash winning tickets purchased from ANY Lottery Retailer with prizes up to \$599.00.

Always scan instant scratch tickets AND get the Instant Ticket Cash Authorization slip before paying out any prize. **You must validate a winning ticket on your terminal in order to receive credit for the prize paid out.**

Do not attempt to validate or pay a ticket that appears to have been altered.

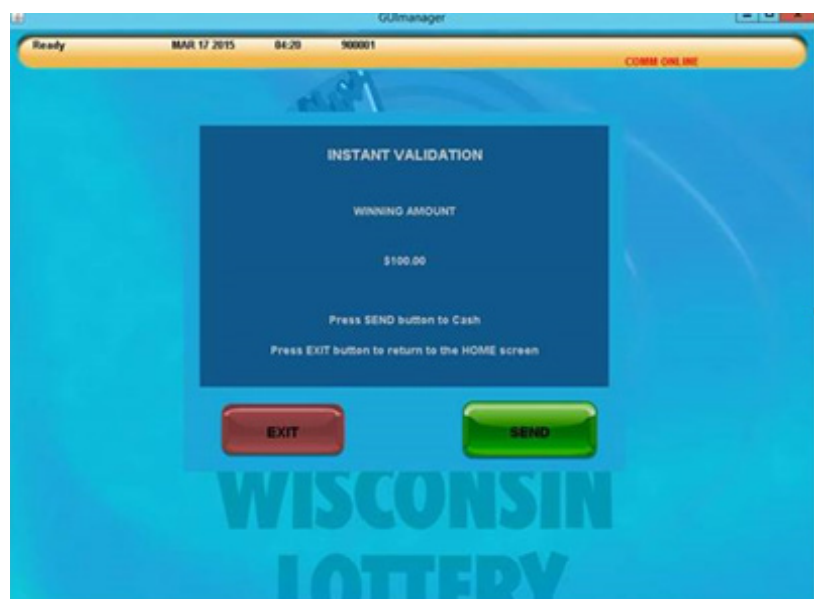

To validate (cash) an instant scratch ticket:

- Scan the ticket secure shield barcode on **front** of ticket.

Confirmation Screen

- Winning Lotto tickets and instant tickets over \$50.00 require an additional authorization prior to completing the validation and payment. Retailers must verify the availability of store funds to pay the winning amount and press SEND if funds are available or press CANCEL if funds are unavailable. If funds are unavailable, return the ticket to the player after pressing CANCEL. Retailers must pay the player immediately after pressing **SEND**.

Instant Games VALIDATING TICKETS

- To validate more than one ticket, continue scanning the secure shield barcodes of the additional tickets.

OR

- To manually validate and cash an instant ticket, scan the barcode on the back of the ticket or enter the numbers manually, then manually enter the 10-digit number under the play area on front of ticket.
- Press EXIT to complete.
- An Instant Ticket Cash Authorization slip will print showing the total amount to pay the player.
- Return to the player any **non-winning** ticket(s) along with the Instant Ticket Cash Authorization slip showing that the ticket(s) is a non winner.
- For all **winning tickets** you should show the winner the Instant Ticket Cash Authorization slip but you will need to retain the Instant Ticket Cash Authorization slip for your accounting purposes.
- After paying the prizes for winning tickets, tear the tickets in half through the validation barcode and attach the Instant Ticket Cash Authorization slip to one half of the ticket. Dispose of the other half. Retain ticket half with Instant Ticket Cash Authorization slip for one week. After one week, dispose of or shred the second half of the ticket with the Instant Ticket Cash Authorization slip.
- Self-service redemption is available on Gemini and GT20 vending machines. A player has the ability to scan a winning ticket and redeem a prize for credits to purchase additional tickets on the vending machine. In these cases there will be no Instant Ticket Cash Authorization. These transactions will be seen as "Lotto Cashes" and "Instant Cashes" on the vending machine "Shift Report".

Instant Games SECURITY & TICKET DISPOSAL

Security of Instant Tickets

Always scan tickets and get the Instant Ticket Cash Authorization slip before paying out a prize. **Scanning tickets is how you get credit for tickets you cash.**

Do not attempt to validate or pay a ticket if the barcode has been altered. The player may bring, or mail, the ticket to the Lottery.

Players should also be directed to contact the Lottery in cases of any perceived discrepancies of Cash Authorization amounts.

Questions? Call the Retailer Hotline at 1-800-242-7782.

See next page for proper disposal of tickets.

IMPORTANT MESSAGE TO PREVENT FRAUD

- Always scan tickets to cash.
- Do not pay out any ticket that displays a "Previously Paid" message.
- Get cash authorization slip before paying out winnings.
- Properly destroy all cashed tickets.

Follow these instructions to properly dispose of tickets when validating tickets at the counter. After you scan a ticket and determine that it is a valid winning ticket, you can then pay the winner. **Note: tickets redeemed through self-service redemption may not be torn in half.**

STEP 1

Tear ticket in half or punch ticket through secure shield barcode and attach cash authorization slip to one half of the ticket.

STEP 2

Dispose the other half of ticket.

STEP 3

After one week, dispose or shred second half of ticket with cash authorization slip.

**DO NOT ATTEMPT TO VALIDATE A TICKET THAT APPEARS TO HAVE BEEN ALTERED.
DO NOT GIVE CASHED TICKETS BACK TO THE PLAYER.**

Instant Games LOST OR STOLEN TICKETS

Reporting Lost or Stolen Tickets

To prevent the cashing of lost or stolen tickets:

- 1) Call the Retailer Hotline at 1-800-242-7782 and select option 2 to report the missing tickets. The Hotline operates 24 hours a day and 365 days a year. Be prepared to provide the following information to the Hotline operator.
 - Your name and title
 - Retailer ID number
 - Business name and address
 - Game, pack, and ticket numbers of the missing tickets. Also the date and time you discovered the tickets missing along with where and when the tickets were last seen.
 - Once reported as missing to the Retailer Hotline, the ticket numbers will be entered into the Lottery central computer as “non-redeemable.” This removes the ability for the tickets to be cashed.
- 2) Contact your local police department to report the missing tickets and file a police report.
- 3) Retailer will receive a call from the Wisconsin Lottery Office of Enforcement and Compliance to verify information.
- 4) Contact your insurance company. **Lost tickets are your property** and the loss may be covered under your business insurance policy.

Found Them?

If tickets reported as missing are subsequently located, call the Retailer Hotline at 1-800-242-7782 immediately!

Questionable Tickets?

Do not redeem mutilated tickets or any tickets you suspect have been tampered with. Give the player a Winner Claim Form and instruct them to mail the ticket to the Lottery. Lottery Office of Enforcement and Compliance will determine if a ticket is defective. Claim forms can also be found on the Lottery website at <https://wilottery.com>.

Claimant Information

To claim a prize and receive payment, a claimant is required, by law, to provide their legal name, birth date, current address (including city, state, and zip code), and citizenship status. For prizes of \$600 or more, a SSN, ITIN, or a properly completed IRS Form W-8BEN is required to process the payment.

Pursuant to Wisconsin's Open Records law (sec. 19.31-19.39 Wis. Stats.), upon request, the Lottery is required to disclose a winner's name, likeness, and place of residence. If you win and claim a prize, the Lottery may use your name, likeness, and place of residence for any purpose without compensation to you. Upon claiming your prize, you waive any claims against the Lottery and its representatives for any and all liability which may result from the disclosure or use of such information.

If you or someone you know has a gambling problem, call 800-GAMBLE-5 (800-426-2535) or TEXT (850) 888-HOPE.

Please consult a tax advisor for assistance in determining your entire tax liability.

Withholding of Delinquent State Taxes, Child Support, or Debts Owed to the State

Wisconsin law (Wis. Stats. 565.30 (5)) requires the Lottery to check social security numbers (SSN) or Tax Identification Numbers (ITIN) with the Department of Revenue for claimants of all prizes \$600 or more to determine if the winner of a Lottery prize is delinquent in state taxes, child support, or debts owed to the state. If a claimant is found to be delinquent in any of the above, the amount will be withheld from the Lottery winnings.

Instant Games TICKET RETURN PROCEDURE

Returning Instant Scratch Tickets

Periodically the Lottery ends games. Retailers are notified before any Instant Scratch games end. See an example of a Game End Flyer on the next page which contains retailer information on one side and player information on the other. Retailers may return full unopened packs of active games at any time prior to a game end date, however, this may prohibit your ability to order the same game number again in the future. **Managing Game Ends is the retailer's responsibility.**

Tickets are returned by two methods:

- 1) **VIA FIELD MARKETING REPRESENTATIVE:** Your Lottery Field Marketing Representative can return tickets using your terminal. The terminal will print a record of the return that must be **reviewed and signed by both the Retailer and Field Marketing Representative**. Your return will be found on that week's Billing Invoice Report.
- 2) **VIA A TICKET RETURN FORM:** A copy of the ticket return form and instruction sheet is available on the retailer website at <https://wilottery.com/retailer-resources>. To get a Ticket Return Form mailed or faxed to you, please call the Retailer Hotline at 1-800-242-7782. To return tickets using a Ticket Return Form:
 - Complete the Ticket Return Form. Package the tickets to be returned along with the Ticket Return Form.
 - Notify the Lottery at 1-800-242-7782.
 - A delivery service will pick up the tickets within five business days.

Your credit will be issued when the returned tickets are processed by the Lottery.

See an example of the Instant Ticket Return Form on page 21.

Forms can also be found on the Lottery retailer website at

<https://wilottery.com/retailer-resources>.

Damaged Tickets

Damaged or unsaleable tickets are the property and responsibility of the retailer. Damaged tickets cannot be sold and should be submitted for claim to your insurance company.

Instant Games MERCHANDISING

Door Decals

Placing door decals in a visible location tells Lottery players that you sell popular Wisconsin Lottery Instant Scratch and Lotto games. This improves awareness and reaches potential new players to increase ticket sales.

Play Center

The Play Center allows you to communicate Lottery information in one convenient display, and frees up staff time by directing players to one spot. You will increase sales by educating players on Lottery products. Display near selling locations for maximum results. Items to stock the Play Center will include brochures, claim forms, playslips, game ending dates, and general Lottery information for players.

Game Specific Point of Sale

Retailers are provided with a mix of game specific Point of Sale (POS) materials that can be used to highlight specific games.

Game Cubes

Various types and configurations of ticket dispensers are available.

Counter Top Promoters

12, 16, 20, 24, or 32 game counter top promoters are available.

In-Counter Displays

16, 20, or 24 games are available and provide visibility at the point of sale.

Planograms

Your Lottery Field Marketing Representative can provide you with a Planogram to give you the best selling mix and presentation. Suggested Planograms can be found on pages 25, 26, 27, and 28.

Your Lottery Field Marketing Representative has more information for you.

Traditional Pull-tab Games

Receiving Pull-tab Tickets

Redemption & Security

Games Available and Selling Tips

Traditional Pull-tab Games RECEIVING PULL-TAB TICKETS

Traditional Pull-tabs cannot be validated on Lottery terminals.

Tickets are usually delivered the next working day after an order is placed. **When tickets are delivered you should immediately:**

- **Check the box number(s) of your Pull-tabs against the numbers on the packing slip**
- Retain the packing slip to keep records of your purchases and commissions and to identify lost or stolen tickets.
- Treat the Lottery Pull-tab tickets like **CASH**.
- Keep the Pull-tabs in the box and store them in a secure place, such as a safe, until ready to be sold. Call the Retailer Hotline at 1-800-242-7782 to order a convenient dispenser.
- Tickets must be redeemed at the location selling the tickets. The selling location is responsible for paying all prizes of tickets sold by that location.

Packaging

Traditional Pull-tabs are currently packaged in boxes of 1020, 1050, and 2040 tickets.

Numbering

Each box of Pull-tabs contains a 6-digit box number. The same box number appears on each Pull-tab ticket in the box.

Flare Card

The flare card is a point-of-sale item which can be displayed to inform players of the tickets available at your location. The flare card is packaged either on the front of the box or inside the box with the pull tabs.

Traditional Pull-tab Tickets REDEMPTION & SECURITY

Redeeming Traditional Pull-tab tickets

- Traditional Pull-tabs are break-open tickets that do not have a validation barcode like you would find on a scratch ticket.
- Only redeem traditional Pull-tab tickets sold at your location the same day of purchase. To easily identify tickets you sell, compare the number printed at the bottom of each ticket to the number printed on the box.
- A winning ticket will display the FIRST winning symbol caption in pink, underlined in blue.
- All games have an additional security check - a validation code (W1, W2, W3, W4, W5) will appear under one of the separation strips.
- After redeeming a traditional Pull-tab, it is the retailer's responsibility to void the ticket by tearing it in half. You may also punch or destroy it.
- Do **NOT** return the ticket to the player.
- **Opened boxes of traditional Pull-tab tickets cannot be returned for credit unless they are defective or the order was filled incorrectly. A box is considered opened if the original shipping seal on that box is no longer intact.**

Lottery Lotto Games EQUIPMENT - LOTTERY TERMINAL

All electronic Lottery equipment requires a dedicated electrical connection. This is a standard electrical outlet which is on a circuit that always has power. Lottery terminals receive software updates during off-peak hours and must be powered 24 hours a day. Retailers shall use all equipment required by the Lottery. This equipment is not to be removed, defaced, or used for purpose other than those established by the Lottery. Equipment removed or not used for the intended purpose is a violation of the contract and may result in termination of the contract.

Lottery Terminal

Terminals are provided to retailers at no cost but remain the property of the Lottery. No outside devices are to be connected to the lottery terminal. Installation, training, maintenance and repairs are included in the Lottery contract. A step by step Quick Reference Card with terminal operating instructions is provided at the time of installation.

See pages 49 - 54.

Lotto Games EQUIPMENT - BACK OF TERMINAL

Lotto Games EQUIPMENT - ULTRA PRINTER

The printer holds a large roll of paper for fewer roll changes. The ticket jam deflector greatly reduces paper jams.

PRINTER

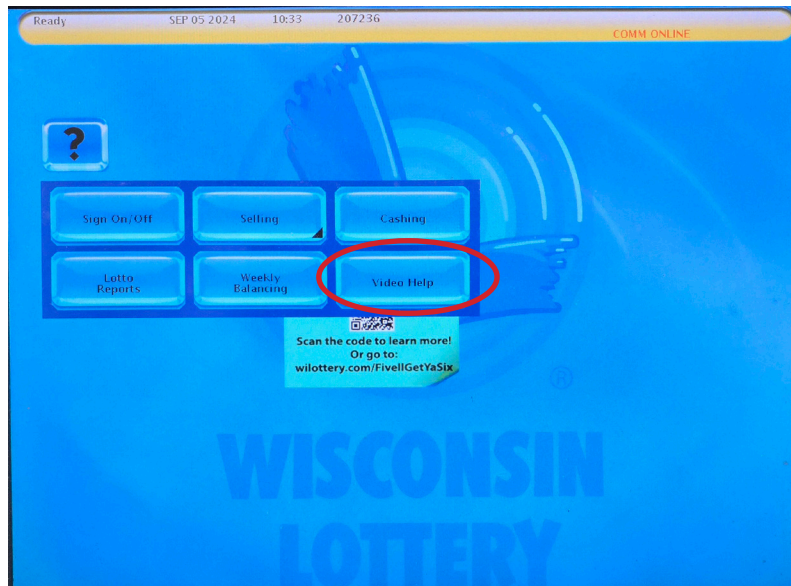

For help on loading printer paper or clearing printer jams, view the videos on the terminal.

Click on the first question mark in the upper left hand corner of the screen.

Lotto Games EQUIPMENT - PRINTER HELP

Click load paper, or clear paper jam, and the video will begin automatically.

Lotto Games EQUIPMENT - TICKET CHECKER (TSP)

The Ticket Checker has a large, easy-to-read display and comes with flexible mounting options. It quickly scans both Lotto and Instant Scratch tickets.

The Ticket Checker is used by players to check their own tickets. This can reduce the number of tickets that clerks need to scan on their terminal.

Lotto Games EQUIPMENT - LOTTOVIEW

Lottoview informs players with real-time jackpot amounts and informational messages. It also displays transaction information, ticket validation amounts and time sensitive messaging for Public Alerts.

The Lottoview monitor equipment is for Lottery use only and remains the property of Wisconsin Lottery. It is part of the Lottery equipment package that is required with the retailers contract. The Lottoview monitor shall be positioned so that it is easily visible to the public.

What You Need to Know

Public Alerts are available on the Lottery terminal. Wisconsin Amber Alert is an emergency child-abduction alert. Silver Alert is an emergency alert regarding an at-risk elderly person that has gone missing.

Public alerts are a collaborative partnership between law enforcement agencies, broadcasters, government agencies, and other groups to alert the general public when help is needed. Public alerts are made of up Amber and Silver alerts, and also include other alert types issued by DOJ. It is one of the most effective strategies law enforcement agencies can use in reuniting children and adults with their families.

Wisconsin's Alert Plans divide the state into nine separate regions: Milwaukee, Madison, Green Bay, Wausau, La Crosse, Eau Claire, Rhinelander, Superior and Ashland. When an alert is issued, law enforcement will target a specific area or areas. Citizens who believe they have information should call 911, or the phone number that may be issued as part of the alert.

An IMMEDIATE MESSAGE marked "Urgent" is sent to your Lottery terminal screen. It MUST be opened to continue normal operations.

- 1) Press READ to open the IMMEDIATE MESSAGE.
- 2) Scroll down through the enclosed Alert information. Press PRINT.
- 3) Press PRINT multiple times to have copies ready for interested customers.
- 4) After printing, press OK. The terminal resets to the Main Screen.
- 5) Display the Alert information for customers.
- 6) If updated messages are issued during the Alert, repeat steps 1-5.
- 7) Call 911, or a number issued with the Alert, if you see a missing child or adult, suspect, or wanted vehicle.

NOTE: The Alert IMMEDIATE MESSAGE will NOT interrupt a sales transaction, the printing of a ticket or report, or the validation of tickets.

Lotto Games PUBLIC - ALERTS

AN ALERT PHOTOGRAPH may be sent to your terminal. When this occurs:

- The photo will appear in the middle of the Main Screen.
- It will most likely be a photo of a missing person, but could be a suspect, or vehicle.
- The photo will remain on-screen for 48 hours or until the Alert is cancelled.
- The photo cannot be printed or deleted.
- It does not affect Lottery terminal transactions.
- The photo is for your use only. DO NOT allow customers access to the terminal to view it. Players can view the photo on the lottoview.
- You could receive an Alert photo and not be part of the Alert. (See below).

Unlike Amber Alert terminal mail messages, photographs cannot be sent to specific geographic areas. Alert photographs will be received by every Lottery terminal in the state.

If you receive a photo but do not receive the must-read urgent IMMEDIATE MESSAGE, you are not part of an Alert. In this instance, you will be sent a regular message you may open at your convenience. It confirms that the photo is associated with an alert issued outside your region and that no action from you is necessary.

Lottoview & Public Alerts

When an alert is issued the information will also be shown on the Lottoview for customers to view. This information may include human and vehicle descriptions.

Lotto Games EQUIPMENT - COMMUNICATIONS

Communication Equipment

Your Lottery terminal will be connected to the Lottery gaming system through a wireless network using satellites, a Ventus (a cellular data system) unit, or Hughes Cradlepoint cellular unit. Satellites are located on the outside of the building either on the roof or a pole where there is a clear view of the sky.

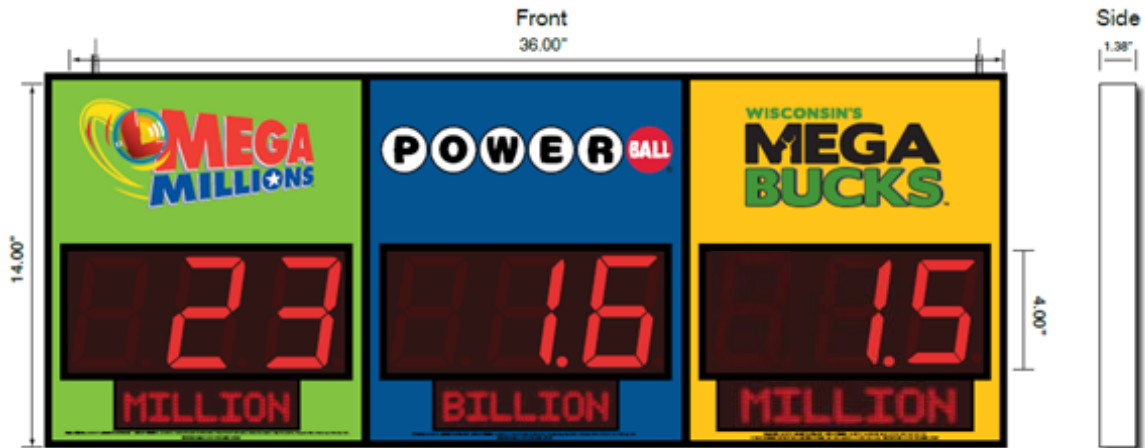

Cellular communication equipment is located inside the store. These units will have a tag that indicates they are used for Lottery. In cases where troubleshooting is needed you may be asked to unplug or reboot the router. Cradlepoint units have a power switch on the back. Ventus units are rebooted by unplugging the power cord.

Lotto Games EQUIPMENT - JACKPOT SIGN

Electronic Jackpot Signs display the current jackpot amounts for the Powerball, Mega Millions, and Megabucks Lotto games. The signs update automatically as the jackpot amounts change.

LARGE SIGN - 36" x 14"

SMALL SIGN – 4" x 11" on telescoping pole

LIGHTED JACKPOT SIGN MANAGEMENT POLICY

Lighted Jackpot Sign Management Policy

The objective of the Wisconsin Lottery's Lighted Jackpot Sign Management Policy is to maintain cost-effective placement of our lighted jackpot signs, in order to maximize contributions to Wisconsin property tax relief. All equipment placement activities are based, in part, on availability of equipment. The administrator may deny a placement if there is reason to believe that the placement would unnecessarily risk Lottery equipment or personnel, or is found to be inconsistent with public interest.

The initial placement of lighted jackpot signs by IGT is intended for retailers who originally signed up through their Lottery field rep. This policy will then be used to maintain ongoing placement beyond original distribution. This equipment must be placed at financially productive locations, producing the maximum amount of revenue and property tax relief.

Initial Installs

Retailers were surveyed in the fall of 2018 to determine the quantities of both the large and the small lighted jackpot signs to establish the initial IGT order. Based on this initial survey, each retailer will receive the agreed upon sign. Any retailer who refuses installation, wants a different sign than they originally asked for, opts out or does not have the necessary space and/or electricity will be removed from the initial installation list and be placed into a "waiting" list for future placement. Locations who have had a change of owner since the original survey but had an allocated sign, will be allocated that original size sign.

Following Initial Installs

Once initial installation has been completed, the "waiting" list shall be established. The list shall start with the next retailer number past the highest number installed. Once all existing numbers are on the list, all retailers who refused, opted out or did not have the necessary space or electricity will be added. This will be the new list for signs as they become available. As new retailer locations become Lottery retailers they will be added to the end of this list and the list will continue in numeric order. Signs will be offered to the next retailer on the list regardless of sign size, however they will remain in their spot on the list if the correct size is not available to be offered. For example, if a convenience store wants a large sign but the next available sign is a small sign, they will remain on the list in their current spot and the next retailer on the list will be offered the small sign. Signs will be allocated from this list regardless of territory.

Timeliness of Activity

If the retailer elects not to accept the correct size sign when they become available that retailer will be removed from further consideration for one full year and will then be added back onto the bottom of the list at that time.

Geographic Consideration

A lighted jackpot sign may be placed in order to fulfill a geographic need. Should there be an area within the state that has very few Lottery retailers (one within a thirty mile radius), a sign may be placed in a retailer in that area without being placed on the waiting list. As indicated under s.565.02 (3), Stats. And Tax 61.04 (3), the Wisconsin Lottery has a responsibility to the general public to ensure that a sufficient number of retail locations are available throughout the state to serve public convenience. This will allow for dissemination of the jackpot amounts to all geographic areas of the state.

Placement at Key Account Locations Previously Refused

The placement of signs at key account retail locations that had previously refused signs shall follow the same criteria set forth in previous sections. However, should an agreement to display lighted jackpot signs in all stores within a key account prompt an additional purchase of signs to fulfill this agreement, said signs shall be installed in those locations without the need to wait on the list.

Lotto Games

LIGHTED JACKPOT SIGN MANAGEMENT POLICY

Business Decisions

Under certain circumstances, there may be a need to place a sign because of special business considerations. In such cases, the Director of the Lottery or Deputy Director if the director is not available, may approve placement at any location and at any time if they feel it is in the best interest of the Lottery and that it will maximize property tax relief.

Once Placed

Once a sign has been placed, it shall remain at that location and become part of the Lottery equipment as set forth in the retailer contract. The sign, along with the terminal and all other peripheral equipment shall be reassigned to a new retailer number following a change of owner. Should the need arise where the terminal equipment is removed from a retailer, the lighted jackpot sign shall be removed as well. That sign will then be reallocated to the retailer next on the waiting list. The exception would be equipment that is removed to preserve it during a remodel or rebuild.

Remodeling/Rebuilding

The lighted jackpot signs will follow the same criteria used to maintain placement of all Lottery equipment in a retail location. In the event of remodeling or rebuilding that requires the terminal and sign to be deactivated for an extended period (typically more than six days), a retailer will maintain the rights to their current terminal and sign for a period of six months. After 6 months of inactivity, the Field Marketing Representative of that retailer can submit a Business Decision request to extend the right for another two months. If the terminal is shut down for 8 months or longer, the Lottery may elect to reassign the sign, based on Lottery business needs. It is the responsibility of the retailer to keep the Lottery informed of remodeling and/or rebuilding activity that could affect Lottery equipment, per the retailer contract.

Revision History

Version #	Revision or Review Date	Description of Change(s)
1.0	August 2017	Initial published version
1.1	October 2023	Reviewed and updated to new template

A. Background

This policy reflects the placement of retailer equipment. The policy also ensures that non-compliance warnings, Retailer Performance Program (RPP) incentives, and suspending ordering/wagering are administered uniformly.

B. Policy

The Wisconsin Lottery Retailer Contract provides authority for retailer equipment use in Section 2.0 (11), stating: Retailer shall use all equipment required by the Lottery. This equipment is not to be removed, defaced, or used for purposes other than those established by the Lottery.

This policy outlines both lost or stolen equipment and misuse of Lottery equipment.

Periodic checks will be done to ensure that all equipment is being used, being used properly and that retailers are in compliance with the contract.

C. Procedure

Lost/Stolen Equipment

- 1) The retailer will call the Field Marketing Representative (FMR) or Key Account Representative to have a replacement issued.
- 2) The FMR or Key Account Representative will contact Contracting staff to create a request to replace equipment as needed.
- 3) Lottery Security may conduct an investigation, and coordinate with local law enforcement as necessary.
- 4) Security will notify the retailer's Field Marketing Representative (FMR) as needed.

Misuse of Lottery Equipment

Misuse of lottery equipment is any use of the equipment for any purpose(s) other than the purpose(s) for which it was installed.

RETAILER EQUIPMENT POLICY

Name: Lottery Division Directive 812
Subject: WI Lottery Retailer Equipment Policy

The Lottery shall, in its sole discretion, determine the purpose(s) for which lottery equipment is installed and whether any use of the lottery equipment is consistent with said purpose(s).

The following actions will be administered to any locations found to be non-compliant with the contract:

- 1) Verbal warning. This can be done by the FMR or from a Lottery Security assessment that includes internal documentation.
- 2) First non-compliance notification. Location will receive a written warning from Contracting, signed by the Retailer Services Section Supervisor. A follow up visit will be done to verify compliance.
- 3) Second non-compliance notification. If a second visit results in non-compliance, the location will immediately stop selling lottery tickets, and will not receive RPP, for 14 calendar days, per section 4.1 of the retailer contract. Location will receive a written suspension letter from Contracting, signed by the Retailer Services Section Supervisor.
- 4) After the 14-day suspension, a visit to verify compliance will be completed. If a final visit results in non-compliance, lottery contract will be terminated, and all equipment removed. A termination letter will be sent and signed by the Business Operations Director. The letter will include retailer appeal rights.
- 5) The lottery will collect any lottery property within two weeks and return any unsold tickets, upon request.

GAME INFORMATION

Fast Play

What is Fast Play?

- A style of lotto games featuring instant play and a progressive jackpot
- Tickets print from the terminal and can be played immediately
- There are no drawings and no playslips
- All prizes are instant wins, including the jackpot
- Each Fast Play game has its own specific name, but each ticket will have the Fast Play logo printed above the game name at the top of the ticket
- The price of tickets will vary depending on the specific game
- Fast Play prizes can be claimed up to 180 days after the ticket is generated
- **After you have received payment, hand the printed ticket to player as soon as possible**

Progressive Jackpot

- All Fast Play games contribute to one progressive jackpot
- The jackpot starts at \$10,000
- Players can watch the jackpot grow in real time
- 10% of every ticket purchased goes to the progressive jackpot prize pool
- The price of the Fast Play game determines the percentage of the jackpot that game can win

Price	Win/Share	Odds
\$1	10% of JACKPOT	1:240,000
\$2	20% of JACKPOT	1:240,000
\$5	50% of JACKPOT	1:240,000
\$10	100% of JACKPOT	1:240,000

Example:

- A. If the current Fast Play jackpot is \$60,000 and a \$2 Fast Play ticket wins the jackpot, that ticket wins \$12,000 (20% of \$60,000). The new available jackpot for all Fast Play games then becomes \$48,000 (\$60,000 minus \$12,000) and will grow from there.
- B. If the current Fast Play jackpot is \$15,000 and a \$5 Fast Play ticket wins the jackpot, that ticket wins \$7,500 (50% of \$15,000). The new available jackpot for all Fast Play games will reset to the starting amount of \$10,000 since the remaining jackpot amount (\$7,500) was less than the starting amount).

CASHING LOTTO TICKETS

How to Cash Tickets

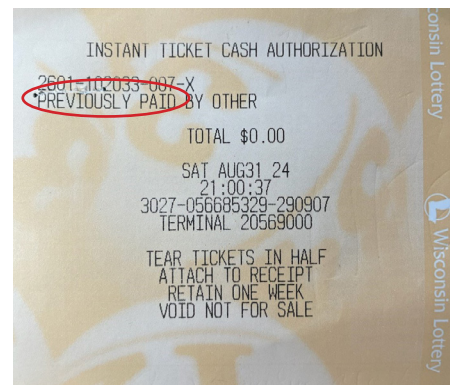

Your Lottery terminal will take the guesswork out of whether a ticket is a winner. You can cash winning tickets purchased from ANY Lottery Retailer with prizes up to \$599.

Always scan lotto tickets AND get the Lotto Cash Authorization slip before paying out any prize. **You must validate a winning ticket on your terminal in order to receive credit for the prize paid out.**

Do not attempt to validate or pay a ticket that appears to have been altered.

To validate (cash) a lotto ticket:

- Scan barcode on the ticket or insert ticket in top reader of the Lottery terminal.
- To validate more than one ticket, continue scanning the barcodes of the additional tickets.
OR
- To manually validate and cash a lotto ticket, scan the barcode on the ticket or enter the numbers manually.
- Press EXIT to complete.
- A Lotto Cash Authorization slip will print showing the total amount to pay the player.
- If you receive a "Previous Paid" message, and you feel as though this message was received in error, please contact the retailer hotline at (800) 242-7782.
- Note: The date and time of the validation will be displayed on this message.
- Return to the player any **non-winning** ticket(s) along with the Lotto Cash Authorization slip showing that the ticket(s) is a non winner.

- For all **winning tickets** you should show the winner the Lotto Cash Authorization slip but you will need to retain the Lotto Cash Authorization slip for your accounting purposes.
- After paying the prizes for winning tickets, tear the tickets in half through the validation barcode and attach the Lotto Cash Authorization slip to one half of the ticket. Dispose of the other half. Retain ticket half with Lotto Cash Authorization slip for one week. After one week, dispose of or shred the second half of the ticket with the Lotto Cash Authorization slip.

Lotto Games UNREADABLE TICKETS

Unreadable Ticket due to Equipment Malfunction

Retailers are not charged for Lotto tickets ("Unreadable Tickets") that are unable to be sold due to EQUIPMENT MALFUNCTIONS. An unreadable Lotto ticket is a ticket which has numbers or a barcode that are not legible or only partially printed. If the terminal or printer malfunctions, reprint the last transaction by pressing REPRINT on the homescreen; then call the Retailer Hotline 1-800-242-7782 to report the problem. **Do not** sell or give the Reprint tickets to players.

To receive credit for the unreadable Lotto Ticket:

- Print a "Reprint" ticket by pressing REPRINT on the home screen.
- Call the Retailer Hotline 1-800-242-7782, to report the equipment problem.
- Write a brief explanation of what happened and complete the information requested on the Adjustment Envelope.
- Mail the "Reprint," the ORIGINAL unreadable Lotto ticket and your explanation to the Lottery in a completed Adjustment Envelope within 14 days. Adjustment envelopes are provided by IGT or your Field Marketing Representative 1-800-242-7782.

 RETAILER ADJUSTMENT REQUEST All adjustment requests must be received by the Lottery within 14 days of the date the ticket was printed. All Adjustment requests are subject to Lottery approval. Paper put in backwards or failure to remove new roll tape (Always do a test print: Special Functions-Printer Test). 4. Not generating reprints after terminal and printer malfunctions occur. Reprints must be generated immediately after paper jam has been cleared. 5. Adjustments will not be given for tickets with a valid barcode or previously scanned or validated tickets.	
Retailer Signature: _____ Date: _____		Other Important Information Wisconsin Lottery lotto game tickets may not be voided or cancelled. The Lottery does not reimburse for tickets printed in error, including errors caused by mixed play slips. Once the SEND button is selected on the Confirmation Screen, the retailer is responsible for the wager. It is recommended that retailers collect for all wagers before printing tickets. Any credit will be detailed on the adjustment line of the Weekly Billing Invoice report. Commission credited at time of ticket sale will be deducted from the amount approved for an adjustment.	

The credit, if approved, will appear on the Adjustment line of your Weekly Billing Invoice Report. Please allow up to 30 days for this adjustment. If the adjustment is disallowed, you will receive a letter of explanation.

It is very important to call the Retailer Hotline 1-800-242-7782 to report the problem. The potential adjustment may depend on this call. Send the "reprint" along with an explanation and the ORIGINAL unreadable Lotto ticket to the Lottery in an Adjustment Envelope. The ORIGINAL unreadable Lotto ticket must be sent to the Lottery. Do not use the Adjustment envelope for anything but unreadable Lotto tickets.

There is a **"No Cancellation/No Return Policy"** for any Lotto tickets produced in error.

Lotto Games DISCONTINUING SALES

Discontinuing Sales

If you have plans to sell or close an existing Lottery location, the “Retailer’s Notice of Intent to Discontinue Lottery Product Sales” form must be filled out completely and returned to the Lottery with a projected discontinue date. This form is available on the Lottery Retailer Website, [Discontinue Form](#) or by calling the Retailer Hotline at 1-800-242-7782 and select option 4 to request the form.

Instant Scratch Tickets are NOT transferable to a different owner or different location.

- Complete the RETAILER’S NOTICE OF INTENT TO DISCONTINUE LOTTERY PRODUCT SALES form. Email: DORLotteryRetailerContracts@wisconsin.gov Fax (1-608-264-6644) or mail this form to: Wisconsin Lottery, 2135 Rimrock Road, PO Box 8941, Madison, Wisconsin 53708-8941. Include any information regarding the new owners or status of the location following either the sale or closing.
- Two weeks notice should be given so that all necessary arrangements can be made to pick up equipment and Instant tickets by Lottery staff. FAILURE TO GIVE TWO WEEKS NOTICE MAY RESULT IN YOU HAVING TO MANUALLY RETURN YOUR INSTANT TICKETS AND DELAY YOUR FINAL STATEMENT!
- IMPORTANT: If the DISCONTINUE FORM is not filed prior to the time that the location changes hands, it will delay the licensing process for the new retailer.

Section 4: Discontinuing Sales

Effective Date:

Reason(s) for Discontinuing Sales:

☐ I hereby notify the Wisconsin Lottery that I intend to discontinue selling Lottery products on _____ and the Lottery will deactivate the Lottery terminal on the effective date.

The effective date may be changed if notification is received by the Wisconsin Lottery prior to the Lottery terminal being deactivated.

☐ Beginning on the effective date, I must cease selling Lottery products, and (if applicable) the Lottery terminal(s) will be deactivated. Unsold instant scratch tickets in saleable condition may be returned for credit. No credit will be received for unsold pull-tab tickets as stated in my Retailer Contract.

☐ I must promptly surrender all Lottery property to the Lottery, including Lottery point-of-sale materials, player-education materials, ticket dispensers, and my Certificate of Authority.

☐ After the effective date, I will continue to be contractually obligated to maintain sufficient funds in my electronic funds transfer (EFT) account to cover any balance owed or which becomes owed to the Wisconsin Lottery.

Section 5: Authorized Signature

AUTHORITY TO EXECUTE THIS NOTICE AND BIND THE RETAILER: The individual who signs below and executes this notice, warrants and represents to the Wisconsin Lottery, that they have the full right, power and authority to execute this notice on behalf of the retailer and to fully bind the retailer to the terms of this notice.

EXPLANATION OF TERMINOLOGY

The Lottery billing period is Sunday through Saturday. The Weekly Billing Invoice Report, a rollup of all terminal sales, prints out automatically every Sunday morning. You may also go to REPORTS, BILLING at any time to get any of the last 52 weeks of Billing Reports. Here is an explanation of terms on the Weekly Billing Invoice to assist you with your Lottery accounting.

Lotto Sales, Total Lotto Sales

This amount should equal your cash register Lotto sales. You may want to use two separate cash register keys, one to ring up Lotto sales and one for Instant Scratch ticket sales.

Lotto Sales, Lotto Commission 5.5%

You receive 5.5% commission on the total Lotto sales.

Lotto Sales, Net Lotto

Net Lotto is sales less your commission. 94.5 cents of each \$1 ticket sold goes to Lottery prizes, administration and for property tax relief.

Instant Packs Billed

Pull-tabs and Instant Scratch packs due in that week's billing period.

Retail Value:

Instant Scratch tickets

Retail value is the actual cost of the Instant Scratch tickets before commission is deducted. The Lottery will credit your account for all prizes \$599 or less that you pay out.

Traditional pull-tab tickets

Retail value is the actual cost of the tickets before commission and the value of all prizes you will pay out. The value of the prizes to be paid out is identified as GLEPS (guaranteed low end prizes). You are responsible for paying out all prizes on traditional pull-tab tickets. Commission and the value of all prizes have been deducted from the cost of the pack. Players must cash traditional pull-tab tickets at the location where they were purchased.

Instant Orders, Instant Commission 6.25%

You receive 6.25% commission on the retail value of all tickets you order.

Net Instant Orders Billed amount less your commission.

Reports

EXPLANATION OF TERMINOLOGY

Instant Returns

Instant returns is a credit (cost before commission) issued for returned packs of Instant Scratch tickets. Full unopened packs may be returned at any time. Partial packs may be returned during a Game End or when discontinuing Lottery sales. Opened packs of traditional pull-tabs are **not** eligible for return.

Cashes, Lotto Game Cashes

Cashes are credit for prizes paid on Lotto tickets. This includes prizes up to \$599. Retailers are asked to cash prizes up to \$599. If circumstances prevent you from cashing prizes to this level, please post your payment policy for players.

Cashes, Instant Cashes - High Tier

This credit is for Instant Scratch tickets cashed by you from \$50 to \$599. These tickets could be tickets you sold or sold by another retailer. The Lottery credits your account for all prizes paid out regardless of where they were purchased.

Cashes, Instant Cashes – Low Tier

This is a credit for Instant Scratch tickets cashed by you when the prize is under \$50. The Lottery credits your account for all prizes paid out regardless of where they were purchased.

Cashes, Net Cashes

This is the net of all Lotto and Instant Scratch tickets cashed.

RPP - Winning Ticket

This is a credit line. You receive an incentive payment of 2% of any ticket you sell with a prize of \$600 or greater. Subject to Retailer Performance Program guidelines.

Adjustments

This is any manual adjustment made to your account by the Lottery, which may include unreadable ticket credit and the \$25 every three year licensing renewal fee. Adjustments may also include earnings from short-term incentives, quarterly RPP bonuses, and annual RPP bonuses.

Total EFT Amount

This is the amount that will be withdrawn or deposited to your bank account the Friday after the billing week.

EFT Payment Date

This is the date the EFT payment will be withdrawn or deposited to your bank account.

Packing Slip - Instant Scratch Ticket Delivery Invoice

A packing slip is included in every shipment of Instant Scratch tickets. **Verify that the pack numbers on the packing slip match the pack numbers on the tickets delivered.** Each game name and number are listed, as well as number of each pack ordered per game. The "Retail Value" column shows the total cost of each pack of tickets. The "Comm" column shows your commission on each pack. The "Net Cost" column shows the cost at delivery (retail value - commission.) The "Net Cost" line shows the total cost of all packs in that shipment. The Price Point Summary is the total number of tickets in the shipment by price point and total retail value. A sample packing slip is on the next page.

Confirm Order (see screen shots on page 7 & 8)

Orders should be confirmed upon delivery. When tickets are delivered, you should immediately use the Packing Slip to confirm your order:

- Press SPECIAL FUNCTIONS
- Press ORDER CONFIRMATION
- Scan the barcode on the packing slip or manually enter the barcode number.
- Press SEND and a receipt prints automatically.

Activate New Tickets (see screen shots on page 9 & 10)

You must ACTIVATE new tickets before you begin to sell them. To activate your new tickets:

- Press SPECIAL FUNCTIONS
- Press PACK ACTIVATION
- Scan the barcode on the ticket back using the scanner, or manually enter the ticket pack barcode number.
- Press SEND and a confirmation screen is displayed.
- Press OK or PRINT

Retailer Performance Program

Quarterly & Annual Sales Incentives - Part 1

Short-Term Incentives - Part 2

Winning Ticket Incentives - Part 3

Retailer Performance Program QUARTERLY & ANNUAL SALES INCENTIVES

The Retailer Performance Program is designed for retailers to earn incentives for increasing their Lottery sales. You now have the ability to increase income generated for your Lottery efforts. To participate in the Retailer Performance Program, you must be a retailer in good standing. The Retailer Performance Program has three parts. Part One pays four quarterly sales incentive payments and a fifth annual payment. Part Two pays retailers for participating in short term incentives. Part Three pays an incentive for the sale of winning tickets valued at \$600 or greater. For more information on this exciting program, talk to your Field Marketing Representative.

Part 1 - Quarterly & Annual Sales Incentives

There are four quarterly sales increase payments. On a quarterly basis the Lottery may pay up to 2% on incremental sales increases as compared to your location's previous quarter's sales on instant and daily Lotto games. There will be a fifth (annual) payment up to 10% on incremental sales increases as compared to your location's last year's sales by selling category: Instant, Daily Lotto, and Jackpot. Earn up to 12% of sales increase annually!

There are four payments, each paid on a quarterly basis. Earn up to 2% on sales increases:

- **INSTANT SALES:** Each quarter you may be paid up to 2% on any increase of instant ticket sales compared to your last quarter's sales.
- **DAILY LOTTO SALES:** Each quarter you may be paid up to 2% on any increase of daily Lotto sales compared to your last quarter's sales.

There is a fifth payment on an annual basis. Earn up to 10% of the sales increase as follows:

- **INSTANT SALES:** Earn up to 10% annually on any increase of instant ticket sales as compared to your last year's sales.
- **DAILY LOTTO SALES:** Earn up to 10% annually on any increase of daily Lotto sales as compared to your last year's sales.
- **JACKPOT SALES:** Earn up to 10% annually on an increase of jackpot sales as compared to your last year's sales.

Chain locations will be viewed as one entity for the annual payment. The annual incentive will be adjusted to the proportion of their locations that had an increase in sales against the total number of locations in the chain.

Retailer Performance Program SHORT-TERM AND WINNING TICKET INCENTIVES

Part 2 - Short-Term Incentives

The Lottery will introduce multiple short-term incentives each year. Retailers will be notified by a terminal message, through informational materials and/or by Field Marketing Representatives. Each short-term incentive, per Wisconsin Administrative Code, cannot exceed a total of \$300,000.

Part 3 - Winning Ticket Incentives

The Lottery pays a 2% incentive of the prize amount for the sale of winning tickets with prizes \$600 or greater. There is a maximum \$100,000 payment on any winning ticket per draw.

Complete details on the Retailer Performance Program can be obtained from your Field Marketing Representative.

All Retailer Performance Payments are subject to the administrative guidelines of the Retail Performance Program and contract compliance. Note: RPP Payments are generally posted 2 weeks after ticket redemption.

Qualifying vending locations must have a valid Wisconsin Lottery retailer contract, meet all criteria for one of the following categories, carry all scratch ticket price points, and be approved for placement by the Lottery Administrator.

Category 1: Minimum Sales

- The location must have sold a minimum of \$200,000 in scratch tickets in the last year (52 weeks).
- The location agrees to maintain a minimum of sixteen (16) facings, representing all scratch ticket price points, at a non-vending point of sale.

Category 2: Mass Merchandise Retailer

- The location is considered a regional mass merchandise retailer.
- The location agrees to maintain a minimum of twenty (20) facings, representing all scratch ticket price points at a non-vending point of sale.

Category 3: Discretionary or Test Marketing

- Wisconsin Lottery Vending Machine Committee recommends placement.
- The location may be required to maintain a minimum number of scratch ticket facings and price points at a non-vending point of sale, to be determined by the Lottery Vending Machine Committee.
- The location may be required to maintain a lottery terminal at a location on-site.

Category 4: Multi-state Lottery Agreement

- The location is a part of a national multi-state Lottery agreement.
- The location will maintain lottery a terminal at a secondary/alternative location.
- The location may be required to maintain a minimum number of scratch ticket facings and price points at a non-vending point of sale.

New locations will be considered upon a review of a market analysis, chain or group affiliation, or previous location sales history by location ID.

The Lottery reserves the right to amend these criteria at any time and to establish minimum sales criteria for each category.

ONLINE: Provides access to the following reports: *Balancing, Weekly Billing Invoice, Instant Billing Liability, and No Top Prizes.*

Shift Report

The Shift Report details sales activity for the current shift and should be used to balance the money in the cash box. Retailers can choose the time of their own shifts, and once the Clear button is touched, the report displays that all totals are cleared.

TO RUN THIS REPORT:

1. Touch **SHIFT REPORT** from the Manager Functions menu.
2. The screen displays the report below.
3. Use the **UP & DOWN ARROWS** to scroll through the report on the screen if needed.
4. Touch **PRINT** to print the report ONLY or touch **CLEAR** to print the report and also clear the Shift at the same time. Touch **MANAGER FUNCTIONS MENU** to return to the Manager Functions menu. A shift report must be run and cleared every time cash is removed from the cash box.

Reprints

The Reprints option allows reprints of the Last Transaction or the Last Wager.

TO ACCESS THESE FUNCTIONS:

1. Touch **REPRINTS**.
2. Select the desired option, such as **LAST TRANSACTION**.
The reprint prints automatically.

NOTE: Reprints are not for sale and should not be given to players.

Reprints should be submitted to the Lottery along with the corresponding misprinted tickets in a Wisconsin Lottery Adjustment Envelope. **It is the Lottery's discretion if a credit will be issued for your particular circumstance.**

Tools/Service

The Tools/Service option provides access to Terminal Reset, Printer Test, Device Status, User Management, User Switch, Configuration, QP Change/Install, QP Reports, QP Buttons Confirmation, Credits Functions, Bin Functions, and RF Enable/RF Disable.

TERMINAL RESET:

Touch **TERMINAL RESET** from the Tools/Service menu to reset the Vending Machine. Touch **OK** to confirm or touch Cancel to return to the Manager Functions menu.

PRINTER TEST: Touch **PRINTER TEST** from the Tools/Service menu to perform a printer test and print a test ticket.

DEVICE STATUS: Touch **DEVICE STATUS** from the Tools/Service menu to view the current status of communications, the printer, bill acceptor, reader, and other ITVM functions.

USER SWITCH: Touch **USER SWITCH** from the Tools/Service menu to switch users on the terminal. The User Sign On screen displays a prompt to sign on to the terminal.

CONFIGURATION: For Field Service Personnel only.

QP FUNCTIONS: For Field Service Personnel only.

CREDIT FUNCTIONS: Use to clear all credits.

BIN FUNCTIONS: Use to display current bin details for a selected bin and to test, unload and feed tickets for the bin.

RF DISABLE/RF ENABLE: Touch **RF DISABLE/RF ENABLE** from the Tools/Service menu to activate (enable) and deactivate (disable) the terminal remote device, which enables you to remotely disable access to the terminal. When the remote is disabled, the button reads Enable RF.

Vending Machine GEMINI QUICK REFERENCE GUIDE

Inventory Management

This function allows the terminal's bin inventory to be added, removed, and changed. There are two methods of loading tickets into the Vending Machine: Barcode Scanner and Manual Entry.

You must pull out the bin tray before loading tickets. Each tray is held in place with a green safety latch on the right side. To advance a row of bins, push the safety latch to the left while pulling the ticket tray forward. To replace, push the row back into place and the latch snaps back automatically.

The Vending Machine uses a games table to keep track of all previously loaded games. Once a game is loaded and a ticket from a pack of the same game is scanned, the program knows all the necessary information about that particular game. When you use the barcode scanner to load and unload the tickets, the Vending Machine checks with the games table and uses that information.

LOADING NEW OR PARTIAL PACKS VIA BARCODE SCANNER

1. Scan the **LOAD** barcode on the desired bin using the barcode scanner.
2. Scan the barcode of the first ticket.
3. Scan the barcode of last ticket.
4. Touch **OK** at the next prompt.
5. A confirmation screen displays. Touch **PRODUCT DETAILS** to edit the ticket information, then touch **CONTINUE**.
6. Touch **CONFIRM** when finished. (If loading multiple packs of the same game, repeat steps 2 – 6)
7. Physically load the tickets.

MANUALLY LOADING NEW OR PARTIAL PACKS

1. Touch **INVENTORY MANAGEMENT** from Manager Functions menu.
2. Touch **SELECT BIN** and enter the desired Bin number.
3. Touch **OK**.
4. Touch **ADD/CHANGE INVENTORY**.
5. Enter Game, Pack and LAST ticket number manually, or press **FULL PACK**.
6. Touch **OK**.
7. Enter Game, Pack and LAST ticket number manually.
8. Touch **OK**, then touch **OK** again.
9. A confirmation screen displays. Touch **PRODUCT DETAILS** to edit the ticket information, then touch **CONTINUE**.
10. Touch **CONFIRM** when finished. (If loading multiple packs of the same game, repeat steps 2 – 10).
11. Physically load the tickets.

LOADING TICKETS INTO A BIN

TO LOAD THE TICKETS INTO THE BIN, PULL OUT THE APPROPRIATE TICKET TRAY FOR THE DESIRED BIN AND FOLLOW THESE INSTRUCTIONS:

NOTE: Lottery best practice is to load the lowest-numbered ticket first.

1. Insert the ticket pack into the bin.
2. Guide the ticket's edge until it firmly touches black rubber feed rollers.
3. This activates the ticket sensor switch and the tickets load automatically.

TO ENSURE RELIABLE TICKET DISPENSING:

1. To avoid ticket jams, do not load tickets over 10" long into the lowest ticket trays – Bins 21 through 24. Also, do not load pack(s) that are over 2.1" in height into any bin.
2. Tickets that are 8" or longer should be fed under the roller. All other ticket lengths can go over the roller.

Inventory Management

LOADING MULTIPLE PACKS

TAPING PROCEDURES

Multiple packs of the same game can be loaded by using Lottery-approved perforated tape to secure the end of one pack to another.

1. Lay ticket packs up against each other on a flat surface so that the last ticket of one pack is against the first ticket of another pack.
2. Pull both packs together so that the perforations of both tickets touch each other.
3. Peel one strip of tape and place the RED stripe over both ticket perforations.
4. Move across the tickets placing the RED stripe so that the perforations of both tickets are in the center of the RED stripe.
5. Fold one of the packs over the other, bending the tape at the perforation (RED stripe). Packs should stack neatly, one on top of the other.

UNLOAD BIN: SCANNER METHOD

TO PHYSICALLY UNLOAD INVENTORY FROM A BIN USING THE SCANNER THROUGH THE MANAGEMENT SCREEN:

1. Scan **UNLOAD** barcode of desired bin.
2. The roller will eject the ticket and the pack can be removed.
NOTE: Unloading a bin does NOT remove the inventory from the memory of the Vending Machine. This can only be accomplished through the "Removing Inventory" function.

UNLOAD BIN: MANUAL METHOD

TO PHYSICALLY UNLOAD INVENTORY FROM A BIN MANUALLY THROUGH THE MANAGEMENT SCREEN:

1. Touch **UNLOAD BIN** and enter the desired Bin number using the keypad.
2. The roller will eject the ticket and the pack can be removed.
NOTE: Unloading a bin does NOT remove the inventory from the memory of the Vending Machine. This can only be accomplished through the "Removing Inventory" function.

REMOVING INVENTORY: CLEARING THE INVENTORY DATA FOR A BIN

1. Touch **INVENTORY MANAGEMENT** from Manager Functions menu.
2. Touch **SELECT BIN** and enter the desired Bin number. Touch **OK**.
3. Touch **REMOVE INVENTORY**.
4. The screen will prompt with the following message, "Are you sure you want to remove all Tickets from the bin X?". Touch **OK**.
5. The inventory is cleared from the bin and from memory of the Vending Machine.
6. Touch **HOME** to return to the Manager Functions menu.

IN CASE OF TICKET JAM

When a ticket jams, an error message will display on the front of the Lottery Vending Machine screen where the jam has taken place.

1. Touch **INVENTORY MANAGEMENT**.
2. Touch the desired **BIN NUMBER**.
3. Touch **FORWARD TICKETS** or **REMOVE TICKETS** and clear away jammed ticket.
4. If ticket remains jammed, touch **UNLOAD TICKETS**.

NOTE: Touching **UNLOAD TICKETS** will clear the inventory and need to be re-loaded upon fixing the jam. Use steps discussed in the **LOAD TICKETS** section.

Vending Machine GEMINI QUICK REFERENCE GUIDE

Logging/Security

1. Touch **LOGGING/SECURITY** from the Manager Functions Menu.
2. The screen displays the Logging Security sub-menu.
3. Select the desired option:
(Security Log, Cash Log, Event Log, or Audit Trail)

SECURITY LOG: Lists vending machine security event details including main door opened, Bill Acceptor door open, alarm disabled, etc.

CASH LOG: Lists up to the last 200 Lotto and/or Instant player sessions.

EVENT LOG: Lists all events that have occurred since the current shift began.

AUDIT TRAIL: Lists up to the last 10 (ten) events which affect credits during the transaction process from cash amount to zero.

Inventory Reports

LOCAL FUNCTIONS

Provides access to reports that reside on the Vending Machine for sales, status, inventory, games, and statistics.

SALES REPORTS: Sales Reports account for all Lotto and Instant Games sales during a specified period. These reports can be pulled by time-frames.

To pull a Sales Report for a specific time-frame:

1. Touch **INVENTORY REPORTS**.
2. Touch **SALES REPORTS**.
3. From the **MAIN** tab, select the desired recent time-frame. Touch the **OTHER** tab to select previous time-frames.

STATUS REPORT: The Status Report describes the Vending Machine setup and configuration. It details any problems that might exist as well as information on the status of each bin.

INVENTORY REPORT: The Inventory Report shows, by bin number, the value and quantity of Instant tickets presently loaded in the terminal. The report reflects the most up-to-date inventory reading.

GAMES REPORT: The Games Report provides game pack information about the Instant games loaded into the Vending Machine.

STATISTICS REPORTS: Statistics Reports provide information about the percentage of time a bin was out of stock and the percentage of time the Vending Machine was not accepting cash. To generate a report, use the same procedure outlined above for Sales Reports.

Loading Paper

1. Gently slide out the printer.
2. Open the printer by pinching the silver button next to the printer roll on the front of the printer.
3. Remove the old paper roll.
4. Insert new paper roll.
NOTE: Be sure to feed the paper OVER the spring loaded black roller.
NOTE: Paper feeds from the bottom of the paper roll when it is inserted into the printer.
5. Center the paper and pull the end past the top of the printer door
6. While still grasping the paper, close the printer door.
7. The paper will advance and cut automatically.

NOTE: The paper stock for the Vending Machine can be substituted with the paper stock used by the main lottery terminal printer.

Unloading Cash Box

1. Open the Bill Acceptor door with the key labeled BA.
2. **TO REMOVE THE CASH BOX:** Simply push down on the white release button at the rear with one hand slide the cash box toward the back of the terminal and gently lift it up and out.
3. To remove money from the Cash Box, locate the round opening on the front press down to retract and slide the money out.
4. **TO RE-INSERT THE CASH BOX:** There are four protruding teeth on the bottom of the Cash Box. These must be on the bottom facing the outside of the Vending Machine. Lower the Cash Box back in while pressing it to the rear of the Vending Machine just as you did when you removed it. Once it is all the way down, gently pull it forward until it locks into place. To close the Bill Acceptor compartment, lift up the door, close firmly, turn the key to the left and remove it.

NOTE: You MUST print and clear the shift report every time you empty the cash box.

Bill Acceptor Jams

1. Open Bill Acceptor door with the key labeled BA, and tilt assembly forward.
2. Remove the Bill Acceptor by pushing up the silver latching bar, gently lift the Read Head from the Bill Acceptor and clear the jammed bills.
3. After the Bill Acceptor has been cleared, gently slide it back into its locked position.

Remote Control

Remote disable is a feature on the Vending Machine and is intended to prevent underage use. This feature allows store personnel to "disable" the terminal via remote control.

To disable the terminal, press the **I** button on the remote transmitter. To reactivate, press the button on the remote transmitter again. The remote does not require careful aiming or close range.

Although the Vending Machine is configured with one remote, multiple Vending Machines in one location will be affected by any remote used.

BIN STATUS: Provides the status of the bins on the vending machine (Jammed, Empty, Low).

ONLINE: Provides access to the following reports: *Balancing, Weekly Billing Invoice, Instant Billing Liability, and No Top Prizes.*

Loading Paper

NOTE: At every change of paper, check inside the printer to locate and remove any scraps of paper.

1. Open the vending machine door. Ensure power to the machine is ON so the printer will be able to auto-feed.
2. Pull the printer drawer out from the vending machine.
3. Place the paper roll into the printer bucket.
4. Feed the paper into the printer so the paper is feeding from the TOP of the roll.
5. The printer will auto-feed the paper through the printer and cut automatically.
6. Gently push printer drawer back into vending machine.

Unloading Cash Box

NOTE: Once the cash box is removed, a shift report will be automatically printed and be cleared.

1. Open the bill acceptor drawer with the Bill Acceptor key and gently pull out the drawer. This reveals the large cash box.
2. To remove money from the cash box, locate the round opening on the top-rear, press the blue tab back towards the direction of the arrow, and open the cash box door. Retract the spring and slide the money out.
3. Once the money has been removed, close the cash box door so that it locks; then close the bill acceptor compartment by pushing in the drawer and turning the key to the left to lock it.

Bill Acceptor Jams

NOTE: Once the cash box is removed, a shift report will be automatically printed and be cleared.

1. Power off the Vending Machine by pressing the amber power switch just above the printer. This will prevent the Shift Report from printing and clearing.
2. Open the bill acceptor drawer with the Bill Acceptor key and gently pull out the drawer. This reveals the large cash box.
3. To access the bill acceptor, you must remove the cash box first. Simply push the blue release button (on the top-front) towards the back of vending machine with one hand, and gently lift the cash box up and out.
4. You will now see the bill acceptor below where the cash box sits. Remove the bill acceptor by pushing up the silver latching bar (located on the bottom) and sliding back. Clear any jammed bills.
5. **TO CLEAN THE BILL ACCEPTOR:** Use a soft dry, clean cloth, lightly dampened with clear water and wipe both the top and bottom.
6. To replace the bill acceptor, simply reinsert it back into the groove it came from and slide it in firmly, so that it locks into place.

NOTE: Run a Bill Acceptor Test every time you clear a jam.

NEW GAME INITIAL DISTRIBUTION

The Wisconsin Lottery offers retailers the opportunity to receive our newest tickets via the Initial Distribution program, which delivers our new game(s) the first day they are official available for sale. Launch days are typically on Fridays.

Retailers that do not participate in the Initial Distribution program will be offered the new game(s) on their regular call day following the Initial Distribution date.

Retailers can participate at any price point and at any quantity.*

To find out how to participate in the Initial Distribution program please consult with your Field Marketing or Telemarketing Representative.

*The Lottery can reserve the right to limit quantities of certain games depending on seasonality and availability.

Lottery Services SUGGESTED ORDERING

The Wisconsin Lottery's Telemarketing department uses software designed for the lottery industry which calculates when a retailer will sell through a game by tracking the validation history of each game. This allows the Lottery to work with retailers to increase sales by assisting in ordering precisely what is needed for each location.

Based on the number of game facings the software will:

- Estimate sell through of a pack by tracking the validation percentage of each game.
- Indicate when a pack has reached a validation threshold so the game or price point should be reordered.
- Identify games that may experience a shortage before your next call.
- Provide predictive ordering information according to an established price point game mix.
- Calculate based on game mix and use six weeks of sales history to determine a suggested order.

Benefits of using the suggested ordering:

- Increased sales by providing detailed information about your inventory levels.
- Reduced out-of-stock situations.
- Tailored weekly telemarketing calls to your specific selling location.
- Focused on games that sell well in your store to recommend an optimal weekly order.

This software helps the Lottery assist retailers in achieving their sales potential. To learn more about suggested ordering please consult with your Telemarketing Representative.

Looking for a way to boost sales? Offer Lucky 13!

Lucky 13 is a powerful sales option for those who play the Lotto daily, or for those who play Lotto games frequently. An easy sale at the push of one button! Be sure all your Lotto customers are aware of Lucky 13!

- Eight lotto games for \$13.
- It's a quick pick for the next draw.
- Includes: \$2 Powerball, \$5 Mega Millions, \$2 All or Nothing, \$1 Megabucks, \$1 SuperCash! and \$1 Badger 5 tickets, and \$.50/ea box tickets for Pick 3 and Pick 4. The Lucky 13 lotto combo button is on the terminal Home Screen.

Lottery Services WINNER AWARENESS

Satisfying Lottery players and retailers, is the key to the Lottery's success. The goal of the Winner Awareness Program is to reinforce the integrity of the games by publicizing the winners and create Lottery excitement.

Lottery posters of the winners are mailed to the retailers that sell the winning ticket over \$599. We strongly suggest you display these posters. Your players will associate buying WINNING tickets with your store.

When a Jackpot winner has purchased a ticket from your store, the Lottery will often send a news release to the local media (radio, TV, newspaper) for publicity. It is suggested you include Lottery winners in your advertising, display pictures of winners, or request additional signage, to inform customers of the winner at your location.

Signage has proven to increase sales and is available at no charge from the Lottery. Please call 1-800-242-7782 or talk to your Field Marketing Representative for more information on ways to help increase your Lottery profits.

Lottery Services SPECIAL EVENTS

Throughout the year, the Wisconsin Lottery participates in several statewide events to enhance player awareness. These events include: the Wisconsin State Fair, Country Fest, Art Fair on the Square, Northwood's League baseball games, and many others. Often times, we are accompanied by our Moola Sister Mascots to generate excitement with players.

The Moola Sisters can make an appearance at your event too! If you're interested in receiving the costumes, call us at 608-261-4916 to check their availability. We will send them to you via Spee-Dee Delivery as needed.

Your responsibilities include:

- Staffing the mascot.
- Dry cleaning the costumes after use.
- Return to Wisconsin Lottery via Spee-Dee Delivery in a timely manner.

Visit the Special Events page at <https://wilottery.com/about/events> to see if we are in your area next!

FREQUENTLY ASKED QUESTIONS

1. **My terminal is not printing tickets correctly. The paper is jamming and sometimes the selected numbers are not printed correctly. What should I do?**

Call the Retailer Hotline 1-800-242-7782 and report the problem. Immediately produce a reprint ticket. Attach the Reprint Ticket to the questionable Lotto ticket and send with an explanation in the "adjustment envelope" (provided by IGT) to the Lottery. The Lottery will make the determination as to the adjustment of your account. Watch your BILLING STATEMENT for this adjustment. It will be for the amount of the "unreadable ticket" minus your commission.

2. **Can I sell a reprint ticket?**

NO. Reprint Tickets cannot be sold or used to collect winnings. The Reprint Ticket should never be given to a player.

3. **I produced a Lotto ticket in error and would like to cancel the ticket and receive credit. What can I do?**

There is a "**No Cancellation/No Return Policy**" for any Lotto tickets produced in error. As a good business practice, always verify ticket requests with player, get the money, and then press SEND.

- Verify the name of the game.
- Verify the number of dollars and number of days.
- Collect the money.
- When all above has been completed; press SEND.

4. **I am remodeling the store and need to relocate the terminal. What is the procedure?**

Call the Lottery at least 13 business days in advance to coordinate the inside wiring move. Call the Retailer Hotline (1-800-242-7782) before unplugging the Terminal. The Lottery Terminal must be plugged into a dedicated electrical outlet.

5. **What is dedicated electric and why it is necessary?**

The Lottery Terminal requires a dedicated electric circuit. This is an electrical circuit that has nothing else plugged into it, except the Terminal and Lottoview. If other equipment is plugged into this circuit, it could adversely affect your terminal with down time and lost sales. You may jeopardize your Lottery license if the dedicated electric regulation is abused.

6. **Do I need to leave the terminal plugged in all the time?**

YES. Power to the terminal must remain ON at all times. DO NOT UNPLUG. The central computer system communicates important information to the terminal during off hours. The terminal should only be unplugged upon instructions from a Retailer Hotline operator. If you have terminal problems, call the Retailer Hotline 1-800-242-7782.

FREQUENTLY ASKED QUESTIONS

7. **When do Lotto and Instant Scratch games expire?**

180 DAYS. Instant Scratch games expire 180 days following the declared game ending date. Lotto game tickets expire 180 days from date of the draw for which the ticket was purchased.

8. **When validating an Instant Ticket and I get the message “previously paid by other,” what do I do?**

DO NOT PAY. Credit cannot be given as the ticket has been previously paid by another retailer location. The previous retailer did not tear the ticket and the player is trying to cash again. Do not confront the player. Suggest he/she send the ticket to the Lottery for payment. Always remember to scan the ticket to validate, then, upon payment, tear winning tickets in half through the validation barcode, and staple one half to the Instant Ticket Cash Slip.

9. **Where do the Lottery funds go?**

Since 1988, the Wisconsin Lottery has managed the Lottery fund with the following results*:

Over \$11.4 Billion Prizes Paid

(57.0% of revenue)

Over \$6.1 Billion Funding for Property Tax Credits

(30.5% of revenue)

Over \$1.2 Billion Retailer Compensation Paid

(6.4% of revenue)

Over \$1.2 Billion Operational Expenses

(6.2% of revenue)

Since 1988, the Wisconsin Lottery has generated more than \$20.1 billion in total revenue. Over 93% of that revenue has gone back to winners, retailers and Wisconsin homeowners.

*Figures are from inception through Fiscal Year (FY) 2024. Amounts from FY2024 are preliminary as of January 2025, and subject to change until completion of the audit. Percentages may not sum to 100% due to rounding.

10. **What is an annuity prize?**

An annuity is a sum of money payable annually or at regular intervals. Powerball, Mega Millions and Megabucks have top prizes that provide an annual annuity option. The Lottery uses the money in the prize pool to purchase zero-coupon bonds. Each of the bonds matures annually so the winner receives a check each year. By buying bonds the Lottery can offer larger prizes than a single, lump sum

cash payment. The jackpot prize is paid in 25 annual installments for Megabucks and 30 annual installments for Powerball and Mega Millions. The estimated jackpot is the approximate value of the 25 or 30-year annuity prize.

11. What is a cash option?

The cash option jackpot prize is paid in one lump sum cash payment equal to the amount of cash available to the Lottery in the jackpot prize pool, which will be less than the estimated jackpot. This cash payment may be approximately one-half of the estimated annuitized jackpot as advertised by the Lottery.

12. What if I am presented an Instant Scratch ticket that cannot be scanned?

You may manually enter the ticket serial number. Press INSTANT CASH, then manually enter the numbers on the back of the ticket, followed by the numbers on the front of the ticket.

Do not redeem tickets that you suspect have been tampered with or that are mutilated. Give the player a Claim Form and instruct them to send the ticket to the Lottery.

13. What reports are available from the terminal?

- Balancing Report, which summarizes a day or week's activities.
- Billing Report, which is your weekly billing invoice (last 52 weeks available).
- Winning Numbers Report, which provides the winning numbers of all games or a specific game and date.
- Jackpot Report for Powerball, Mega Millions, Megabucks and Badger 5.
- No Top Prize Report, which lists games with no remaining top prizes.
- Additional reports and other information is available on the Reports menu and the Special Functions menu.

14. Am I required to pay out prizes up to \$599?

According to your contract you shall validate and pay, when reasonable, all winning tickets up to \$599. Winners tend to tell friends where they won and will spend some, or, all of their winnings in your store. **If circumstances prohibit you from cashing tickets up to \$599, you must post this information for players.**

15. May I return unopened packs of Instant Scratch tickets at any time?

YES, as long as they are active games and in clean, saleable condition. See your Lottery Field Marketing Representative or call the Retailer Hotline (1-800-242-7782) to request a Ticket Return form or obtain a Ticket Return form on the Retailer Website, [Ticket Return Form](#)

Lottery Services FREQUENTLY ASKED QUESTIONS

16. How do I get the In-Counter Instant Ticket Dispenser, Play Center or other point of sale items?

Please see your Lottery Field Marketing Representative or call the Lottery Retailer Hotline at 1-800-242-7782.

17. Can a customer use a credit card to pay for a lottery ticket?

NO. Credit cards cannot be used to purchase lottery tickets. Wisconsin Statutes allow for only cash purchases of lottery tickets.

18. What happens if I don't have enough money in the bank account for the EFT (Electronic Funds Transfer)?

Insufficient funds in a retailer bank account at the scheduled time of an EFT results in a Non-Transfer of Funds (NFT). NFTs that occur within a 12-month period, other than those caused by Lottery error, will result in the following actions:

1st and 2nd with no previous NFT Balance - \$25 service fee (suppression of instant ordering and Lotto wagering may be performed at the discretion of the Lottery).

2nd with a previous NFT balance - \$25 service fee and suppression of instant ticket ordering and Lotto wagering until the NFT is paid in full.

3rd NFT - \$50 service fee and suppression of instant ticket ordering and Lotto wagering until the NFT is paid in full.

4th or more NFTs - \$75 service fee and suppression of instant ticket ordering and lotto wagering. Contract termination review will be performed. Instant ticket ordering and Lottery wagering suppression remains intact until review results are complete.

The Lottery reserves the right to terminate the contract of any retailer who incurs three or more NFTs within a 12-month period. This policy reflects the results of improvements made to the NFT collection process now being used by the Wisconsin Lottery. The policy ensures that service fees and suspensions are administered uniformly. Please call the Retailer Hotline 1-800-242-7782 with any questions.

19. Can players buy tickets through a subscription, by mail or by using a computer?

NO, Wisconsin Lottery tickets may only be purchased with cash and only at participating Wisconsin Lottery retailer. Tickets for future draws can be purchased from retailers as well.

20. How can players find out the winning numbers?

You may print and post Winning Number Reports from your terminal. Players may look on the Lottery's website or call the Lottery Player Hotline 1-800-266-7777. They may read the numbers in the local news media or access winning numbers via the Wisconsin Lottery App. All past historical numbers may be obtained by sending a request and self-addressed, stamped envelope to: Wisconsin Lottery, attention Player Relations, PO Box 8941, Madison, Wisconsin 53708-8941.

FREQUENTLY ASKED QUESTIONS

21. How old do you have to be to buy a Wisconsin Lottery ticket?

Tickets can only be sold to persons at least 18 years of age, but minors may receive tickets as gifts.

22. How do players collect a big prize?

Winning tickets of \$600 or more must be claimed at a Lottery office or by mail. Winners must sign the back of the ticket in the space provided. A winner can claim any prize up to \$599 at a Lottery Retailer* or Lottery office (claim forms are available at the Lottery office or most Lottery Retailers or may be downloaded from [Winner Claim Form](#). Please direct big prize winners to <https://wilottery.com/winners/claim-prize> for current information about Lottery offices including hours, locations, and contact information.

To claim by mail**, send the signed ticket and [claim form](#) to:

**Prizes
PO Box 777
Madison, WI 53774**

By law, the ticket is the only valid receipt for prize claims. Players can contact us on our Player Hotline (608) 261-4916, or use our online contact form at wilottery.com to send us a note.

* Subject to the retailer's practices.

** We recommend that you utilize a mailing method that provides you with proof of mailing. Please keep copies of your submissions.

23. Can winners remain anonymous?

By Wisconsin state law, any information state about government produces, or controls, is available to any person requesting. The statutes are specific in determining what individual information may be subject to this law. Only information "in the public's interest" may be released by a government agency. For Lottery winners this means that it has (1) been determined that it is in the public's interest to know there have been Lottery winners (as the proceeds of the Lottery are for public use, i.e., Property Tax Relief) and (2) the Lottery must, upon request, release the name and hometown of winners. Any other information about the winner, their future plans or any background information will only be released with the winner's consent. The winner may or may not speak to the media. It is not required, nor can it be prevented.

24. Do winners have to pay taxes on their winnings?

All lottery winnings are taxable. The Lottery automatically deducts federal income tax withholding for winners \$5,001 or greater and state income tax withholding for winners over \$1,999. These are deducted following current state and federal guidelines.

FREQUENTLY ASKED QUESTIONS

25. **If the overall odds of winning a prize on an Instant Scratch ticket are 1 in 10, how come someone bought ten tickets and didn't win?**

The odds are calculated by taking the total number of tickets printed divided by the total number of prizes available. Where the prizes end up when the tickets are printed is determined by random, computer generated formulas. Although any particular string of ten tickets may not produce a winner, there is just as much possibility that another string of ten tickets could produce several winning tickets.

26. **If a player wins a jackpot prize, but dies before getting all of the scheduled payments, what happens to the remaining payments?**

The remaining payments are given to the estate of the winner (Wis. Stats. 565.30 (1).)

27. **What happens to prizes that are not claimed?**

The value of unclaimed prizes is credited to the Lottery Funding for Property Tax Credits.
