## Wisconsin Lottery Launches Fast Play

*First Progressive Jackpot winning ticket sold in Manitowoc*

**MADISON, Wis.** – On Sunday, April 23, 2023, the Wisconsin Lottery launched **Fast Play**, a new group of lotto games that combine instant wins with a growing, Progressive Jackpot. *Fast Play* tickets are printed from Lottery terminals or purchased from Lottery vending machines. The games can be played immediately for a chance to win prizes immediately without scratching or waiting on draw results.

*Fast Play* offers a family of four multiplier games -- 5X (\$1), 10X (\$2), 20X (\$5) and 50X (\$10) -- as well as Cash Stash (\$2), and Platinum Payout (\$10). All six games have individual prizes, and together, they contribute to ONE Progressive Jackpot that starts at \$10,000 and grows with ticket sales until someone wins it.

Unlike other lotto games, the *Fast Play* Progressive Jackpot can be won as soon as a ticket is purchased. The amount of the Jackpot won depends on the ticket price purchased by the player – \$1 tickets win 10% of the jackpot, \$2 tickets win 20%, \$5 tickets win 50%, and \$10 tickets win 100%. The Wisconsin Lottery *Fast Play* jackpot is only winnable in Wisconsin and is not shared with other states. Players can also confirm if their ticket is a winner by using the Lottery's new mobile app, available on the App Store or Google Play.

It didn't take long for the first-ever *Fast Play* jackpot to be won. **Calumet BP** on 2914 Calumet Dr. in Manitowoc sold a jackpot-winning ticket on Sunday. The winning ticket was a \$1 5X game, resulting in a \$1,000 jackpot (10% of the \$10,000 Progressive Jackpot at the time).

Retailers can redeem tickets winning up to \$599 or the amount allowed by the retailer's normal cashing practices (not to exceed \$599). Prizes up to \$599 can also be claimed by mail or at the Lottery's Madison or Milwaukee offices. Prizes of \$600 to \$199,999 can only be claimed at the Madison or Milwaukee offices in person or by mail. Winning Lottery tickets of \$200,000 or more must be redeemed in person at the Madison Lottery office.

The odds of winning the *Fast Play* Progressive Jackpot are 1 in 240,000. For more information about *Fast Play* games, please visit [wilottery.com/games/fast-play](https://wilottery.com/games/fast-play).
