FOR IMMEDIATE RELEASE

\$43,003 Fast Play Jackpot Winning Ticket Sold in West Allis

MADISON, Wis. – [Fast Play](#) is off to a fast start in Wisconsin. On Monday, May 22, 2023, a \$5 "20X" ticket, sold by **Lucky Petro Inc.** on 8323 W. Becher St. in West Allis, won \$43,003, or 50% of the Progressive Jackpot. It is the fourth *Fast Play* Progressive Jackpot won since the game debuted on April 23rd.

The \$43,003 winning ticket is the largest winning Lottery ticket ever sold by Lucky Petro Inc. Sales representative, Dileep Muppalla, sold the winning ticket on Monday morning. He said the player didn't believe she won initially.

"At first, she wasn't sure she won. She asked me to check the ticket, so I looked, then told her it was a jackpot winner. She was stunned for about a minute and then she got very excited. It was a nice win."

Wisconsin Lottery retailers who sell winning tickets over \$599 receive a two percent Retailer Performance Winning Ticket Incentive, up to \$100,000.

The odds of winning the *Fast Play* Progressive Jackpot are 1 in 240,000. Printed on each *Fast Play* ticket is the amount of the estimated Jackpot when the ticket is sold and how much of that estimated Jackpot the ticket could win. Players can also win instant cash prizes on their *Fast Play* tickets.

Unlike other lotto games, the *Fast Play* Progressive Jackpot can be won as soon as a ticket is purchased. The amount of the Progressive Jackpot won depends on the ticket price purchased by the player – \$1 tickets win 10% of the Progressive Jackpot, \$2 tickets win 20%, \$5 tickets win 50%, and \$10 tickets win 100%. The Wisconsin Lottery *Fast Play* Progressive Jackpot is only winnable in Wisconsin and is not shared with other states. Players can also confirm if their ticket is a winner by using the Lottery's new mobile app, available on the App Store or Google Play.

ABOUT THE WISCONSIN LOTTERY

The Wisconsin Lottery enriches communities statewide by giving back 93 percent of its revenue to winners, retailers, and Wisconsin homeowners. Since 1988, the Wisconsin Lottery has generated:

- More than \$18 billion in total revenue
- More than \$10.2 billion in prizes paid
- More than \$5.4 billion in funding for property tax credits to eligible Wisconsin homeowners
