FOR IMMEDIATE RELEASE

Badger 5 Limited Time Offer Debuts Today

MADISON, Wis. – The Wisconsin-only lotto game, [Badger 5](#), is adding some fast ways to win this month.

From June 1-30, 2023, when a player purchases a *Badger 5* ticket, they have a 1 in 5 chance of getting a \$1 [Fast Play 5X](#) bonus ticket with their play.

During this limited time offer, a separate *Fast Play 5X* bonus ticket will be generated for every fifth *Badger 5* play purchased statewide. Players should be mindful that purchasing five *Badger 5* tickets does not guarantee a bonus ticket, as transactions happen nearly simultaneously across the state. The offer does not apply to advance plays for *Badger 5*.

There is no additional cost for the limited time offer. *Badger 5* costs \$1 per play and is drawn daily. *Badger 5* offers a starting jackpot of \$10,000 that rolls until it is won. The estimated *Badger 5* jackpot for the Thursday, June 1, 2023, drawing is \$94,000.

Launched on April 23, 2023, *Fast Play* is a new group of lotto games that combine instant wins with a growing Progressive Jackpot. *Fast Play 5X* tickets have individual prizes and include an opportunity to win 10% of the Progressive Jackpot. The current, estimated *Fast Play* Progressive Jackpot can be found on [wilottery.com](#) or by visiting a Wisconsin Lottery retailer.

Unlike other lotto games, the *Fast Play* Progressive Jackpot can be won instantly. The Wisconsin Lottery *Fast Play* Progressive Jackpot is only winnable in Wisconsin and is not shared with other states. A quick way players can confirm if their *Fast Play* ticket is a winner is by using the Lottery's new mobile app, available on the App Store or Google Play.

In addition to offering a bonus ticket the limited time offer includes some fun elements players should enjoy. When a player receives a *Fast Play* bonus ticket with a *Badger 5* purchase, Lottery terminals will play a sound clip saying, "Player gets a Bonus Ticket!" and on the touchscreen of Wisconsin Lottery vending machines, a "Congratulations! You won a special ticket!" message will appear.

Badger 5 and *Fast Play 5X* are separate lotto games with separate jackpots. The odds of winning the *Badger 5* jackpot are 1 in 169,911. The odds of winning 10% of the *Fast Play* Progressive Jackpot are 1 in 240,000. For more information about this limited time offer or other Wisconsin Lottery games, go to [wilottery.com](#).
