**MADISON, Wis.** – Tuesday was a majestic day for Wisconsin [Mega Millions](#) players. A \$1,000,000 *Mega Millions* winning ticket was sold at **Pick N Save** on 2643 Eastern Ave. in Plymouth. The winning ticket matched five of five numbers (10-31-45-46-49) but not the Mega Ball (5) from the Tuesday, July 11 drawing. It is the second time in 2023 that the Plymouth Pick N Save has sold a \$1,000,000 winning ticket. In March, a player validated a winning \$1,000,000 [Rose Gold](#) scratch ticket purchased from the Plymouth Pick N Save.

Pick N Save Store Director, Shaun Priesgen said, "I have been the director of this store for only three days and WOW, what an experience. We are super excited for the winner."

Two additional big winning tickets resulted from the July 11 *Mega Millions* drawing. **Kwik Trip** on 4611 8<sup>th</sup> St. South in Wisconsin Rapids and **Kwik Trip** on 1000 N. Main St. in Sheboygan Falls both sold \$10,000 winning *Mega Millions* tickets.

For the Wisconsin Rapids Kwik Trip, it is their second big winner of 2023. The Wisconsin retailer sold a \$350,000 [SuperCash!](#) winning ticket on March 28.

Players should always check their tickets after each drawing. All Wisconsin lotto games have multiple prizes available. Drawing results are posted on [wilottery.com](#) and on the new [Wisconsin Lottery Mobile App](#). After drawing results are in, players can also use the mobile app to scan their tickets to see if they are a winner. In addition, the Wisconsin Lottery Player Club email reports drawing results every morning.

Players have 180 days from the draw date to claim their winnings. Information on how to claim a prize is available at [wilottery.com/winners/claim-prize](#). All winning Lottery tickets need to be signed. Lottery tickets are bearer instruments; whoever signs the back of the ticket is considered the rightful owner.

Wisconsin Lottery retailers who sell winning tickets over \$599 receive a two percent Retailer Performance Winning Ticket Incentive, up to \$100,000.

The odds of winning a \$1,000,000 *Mega Millions* prize are 1:12,607,307, while the odds of winning a \$10,000 *Mega Millions* prize are 1:931,002. The estimated jackpot for the Friday, July 14 *Mega Millions* drawing is \$500 million. The odds of winning the *Mega Millions* jackpot are 1:302,575,350.

While *Mega Millions* winners made today's headlines, tonight's [Powerball](#) drawing is also making news. The estimated *Powerball* jackpot for the Wednesday, July 12 drawing has been raised to \$750 million. If won, it
