FOR IMMEDIATE RELEASE

## Wisconsin Powerball Weekend Winners

*Winning tickets sold in Chippewa Falls, Delavan, and Waukesha*

**MADISON, Wis.** – The estimated jackpot for tonight's [Powerball](#) drawing is \$900 million and while no one has won the biggest prize in 37 consecutive drawings, three big Wisconsin *Powerball* winning tickets were sold this weekend.

For the Saturday, July 15 *Powerball* drawing, a \$50,000 winning *Powerball* ticket was purchased at **Piggly Wiggly** on 1414 E. Geneva St. in Delavan and at **Kwik Trip** on 2807 River Valley Road in Waukesha. In Chippewa Falls, a \$50,000 winning *Powerball* ticket was purchased at **Cenex Convenience Store** on 1080 W. River St. The winning ticket included a *Power Play* 2X, multiplying \$50,000 to a \$100,000 win.

All three winning tickets matched four of five numbers (2-9-43-55-57) but not the *Powerball* (18).

Since the start of the jackpot run in late April, nationally, the *Powerball* game has produced:

- 28 winning *Match 5* tickets (\$1 million)
- 5 winning *Match 5 + Power Play* tickets (\$2 million)
- 468 winning *Match 4+PB* tickets (\$50,000)
- 151 winning *Match 4 + PB + Power Play* tickets (\$100K - \$500K)
- 25.3 million winning tickets across all lower-prize tiers

Big winning tickets have been common in 2023 for the Delavan Piggly Wiggly. In addition to the recent *Powerball* winner, the Wisconsin Lottery retailer has sold a winning \$10,000 lotto ticket and a \$54,000 instant scratch game winner this year.

*Powerball* drawings are Monday, Wednesday, and Saturday at 9:59 p.m. Tickets must be purchased before 9 p.m. to be included in a drawing. *Powerball* tickets are \$2 per play, with the option to buy the *Power Play* feature for an additional dollar.

The odds of winning a \$50,000 *Powerball* prize are 1:913,130. The odds of winning the *Powerball* jackpot are 1:292,201,338.

### ABOUT THE WISCONSIN LOTTERY

The Wisconsin Lottery enriches communities statewide by giving back 93 percent of its revenue to winners, retailers, and Wisconsin homeowners. Since 1988, the Wisconsin Lottery has generated:

- More than \$18 billion in total revenue
- Over \$10.2 billion in prizes paid
- More than \$5.4 billion in funding for property tax credits to eligible Wisconsin homeowners
