

July 20, 2023

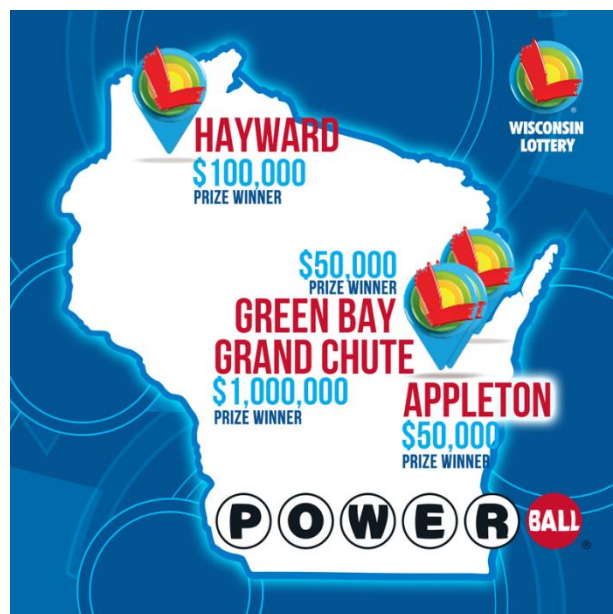

FOR IMMEDIATE RELEASE

\$1,000,000, \$100,000 and \$50,000 Powerball Winning Tickets Sold in Grand Chute, Hayward, Green Bay and Appleton

MADISON, Wis. – The numbers are in, and someone in California is the winner of the \$1.08 billion [Powerball](#) jackpot – the third-largest prize ever awarded in the history of *Powerball*. Closer to home, four winning *Powerball* tickets were sold in Wisconsin for the Wednesday, July 20 drawing. The winning numbers were 7-10-11-13-24, and the *Powerball* was 24.

In Grand Chute, a \$1,000,000 winning *Powerball* ticket was sold at **Kwik Trip** on 3721 W. College Ave. In Hayward, a \$100,000 winning *Powerball* ticket was purchased at **Kwik Trip** on 15870 US Hwy 63. The ticket included the \$1 *Power Play* option turning a \$50,000 win into a \$100,000 win because of the 2X *Power Play* multiplier. It is the second time in 2023 the Hayward Kwik Trip has sold a winning \$100,000 ticket. On January 23, the retailer sold a \$100,000 [All or Nothing](#) winning ticket.

Two \$50,000 winning *Powerball* tickets were also part of Wednesday's fun. The winning tickets were sold at **Kwik Trip** on 3525 Humboldt Rd. in Green Bay and **Ballard Motomart** on 2838 N. Ballard Rd. in Appleton.

The latest *Powerball* jackpot run resulted in several Wisconsin *Powerball* winners in July. Since July 1, 12 big winning tickets ranging from \$50,000 to \$1,000,000 have been sold at retailers across the state.

Powerball drawings are Monday, Wednesday, and Saturday at 9:59 p.m. Tickets must be purchased before 9 p.m. to be included in a drawing. *Powerball* tickets are \$2 per play, with the option to buy the *Power Play* feature for an additional dollar.

The odds of winning a \$50,000 *Powerball* prize are 1:913,130. The odds of winning a \$1,000,000 *Powerball* prize are 1:11,688,054 and the odds of winning the *Powerball* jackpot are 1:292,201,338.

The odds in winning a \$100,000 *All or Nothing* prize are 1:352,716.

For the \$1 *Powerball Play* add-on option, the odds of a 2X multiplier being drawn last night were 1:1.75. *Power Play* does not apply to the jackpot. A \$1,000,000 prize can become \$2,000,000 with the *Power Play*. The *Power Play* multiplier for the \$1,000,000 prize can never be greater than 2X.

ABOUT THE WISCONSIN LOTTERY

The Wisconsin Lottery enriches communities statewide by giving back 93 percent of its revenue to winners, retailers, and Wisconsin homeowners. Since 1988, the Wisconsin Lottery has generated:

- More than \$18 billion in total revenue
