FOR IMMEDIATE RELEASE

Winning Tickets of \$350,000, \$50,000, and \$100,000 Sold in Schofield, Cudahy, and Viroqua

MADISON, Wis. – Three big winning tickets, two on Saturday and one on Monday were sold by Wisconsin Lottery retailers during the last four days.

The excitement started on Saturday, August 19 when winning tickets of \$350,000 ([SuperCash!](#)) and \$50,000 ([Powerball](#)) were purchased from the **R-Store** on 4101 Schofield Ave in Schofield and at **BP** on 5606 S. Packard Ave in Cudahy for the *SuperCash!* and *Powerball* drawings.

The winning *SuperCash!* numbers were 8-17-18-22-33-37. For the *Powerball* win, the winning ticket matched four of five numbers (1-25-27-38-62) plus the *Powerball* (13).

The *SuperCash!* win is the second big prize sold by the R-Store this year. In February, the Lottery retailer sold a \$200,000 winning scratch ticket.

Terri, R-Store manager said, "I'm so happy for one of our regular customers to win again. The scratch ticket winner was a regular too."

Monday, **Kwik Trip** on 603 S. Main St. in Viroqua joined the fun. The store sold a winning \$100,000 *Powerball* ticket for the August 21 *Powerball* drawing. The ticket included the \$1 *Power Play* option turning a \$50,000 win into a \$100,000 win because of the 2X *Power Play* multiplier.

Players have 180 days from the draw date to claim their winnings. Information on how to claim a prize is available at wilottery.com/winners/claim-prize.

Wisconsin Lottery retailers who sell winning tickets over \$599 receive a two percent Retailer Performance Winning Ticket Incentive, up to \$100,000.

The odds of winning a \$50,000 *Powerball* prize are 1:913,130.

For the \$1 *Power Play* add-on option, the odds of a 2X multiplier being drawn on Monday night were 1:1.75. *Power Play* does not apply to the jackpot. A \$1,000,000 prize can become \$2,000,000 with the *Power Play*. The *Power Play* multiplier for the \$1,000,000 prize can never be greater than 2X.

SuperCash! is a Wisconsin-only lotto game hosting daily drawings seven days a week. The odds of winning the *SuperCash!* top prize are 1 in 1,631,312. Tickets must be purchased before 9 p.m. to be included in that day's drawing. *SuperCash!* offers two plays for \$1 and has a doubler feature at no additional cost.

ABOUT THE WISCONSIN LOTTERY

The Wisconsin Lottery enriches communities statewide by giving back 93 percent of its revenue to winners, retailers, and Wisconsin homeowners. Since 1988, the Wisconsin Lottery has generated:

- More than \$18 billion in total revenue
- Over \$10.2 billion in prizes paid
- More than \$5.4 billion in funding for property tax credits to eligible Wisconsin homeowners
