(2021)****A. The theme and name of the game:**

The name of this game is STATE FAIR 50/50 RAFFLE. It is a game in which the player purchases a unique five-digit number from one (00001) to twenty-five thousand (25000). By purchasing a STATE FAIR 50/50 RAFFLE ticket, a player agrees to select the next number in sequence as determined by the lottery gaming system.

The winning number is randomly selected by a drawing. A pari-mutuel prize equal to 50% of dollars played for this game at the time of the drawing is awarded in one prize category for exactly matching the five-digit number drawn in that category.

The game shall start on August 5, 2021. Tickets for this game will only be sold at retailer #800010 SPECIAL EVENTS as defined in the Lottery's gaming system.

For the purposes of the Lottery's Retailer Performance Program, this game is considered a jackpot game.

**B. The price of tickets:**

1. The price of a ticket is one dollar (\$1.00), or such other price as set by the Lottery Division Administrator, which entitles the purchaser to enter one (1) play (a five-digit number from one (00001) to twenty-five thousand (25000)) in the drawing for which the ticket is purchased. At the player's option, the player may also purchase a ticket for five dollars (\$5.00), which entitles the purchaser to enter six (6) plays (six consecutive five-digit numbers from one (00001) to twenty-five thousand (25000)) in the drawing for which the ticket is purchased. At the player's option, the player may also purchase a ticket for ten dollars (\$10.00), which entitles the purchaser to enter fifteen (15) plays (fifteen consecutive five-digit numbers from one (00001) to twenty-five thousand (25000)) in the drawing for which the ticket is purchased.

2. Tickets are only available for one (1) drawing.

3. Tickets cannot be cancelled, and there are no refunds. It shall be the sole responsibility of the player to verify the accuracy of the game plays. All plays are assigned by the computer at the time of purchase.

4. A Lottery Retailer, group of Lottery Retailers, or the Lottery itself shall not directly or knowingly sell a play or combination of plays to any person or entity that would guarantee such purchaser a Top Prize win. A player or group of players shall not directly or knowingly purchase a play or combination of plays that would guarantee such purchaser a Top Prize win.

**C. The prize structure, including the number and value of prizes:**

1. The prize is funded out of the tickets purchased. Odds of winning will depend on the number of tickets sold, not to exceed twenty-five thousand (25,000) plays. The prize is awarded as follows:

WINNERS	PRIZE

2. Each five-digit number in this game is unique and shall appear on only one (1) ticket. Consequently, there is a maximum of twenty-five thousand (25,000) tickets in this game. When and if all twenty-five thousand (25,000) tickets are generated on the lottery gaming system, no further tickets will be sold by the Lottery.

3. Any ticket that is not generated on the lottery gaming system by the draw break shall not be included in the drawing.
